

# Global and Regional Campuses and Statewide Sites

## BREMERTON

**Murari Kejariwal, Clinical Associate Professor and Program Coordinator, Electrical Engineering**  
1600 Warren Avenue  
Bremerton, WA 98337  
360-473-2843  
murari.kejariwal@wsu.edu  
<https://school.eecs.wsu.edu/academics/undergraduate-program/electrical-engineering/bremerton/>

Washington State University's School of Electrical Engineering and Computer Science offers a Bachelor of Science in Electrical Engineering program in Bremerton, Washington. The majority of courses at the Bremerton site are taught by full-time resident faculty in Bremerton. These are augmented by courses taught by Pullman faculty that originate from the Pullman Campus and some local adjunct faculty who, given their education and professional experience, enhance the educational experience for students. Students are advised by WSU faculty and staff who are resident in Bremerton.

**Marvin Pitts, Clinical Professor and Program Coordinator, Mechanical Engineering**  
1600 Chester Avenue  
Bremerton, WA 98337  
360-475-7543  
pitts@wsu.edu  
<http://www.mme.wsu.edu/wsuMEoch/>

Washington State University's School of Mechanical and Materials Engineering offers a Bachelor of Science in Mechanical Engineering program in Bremerton, Washington. The majority of courses at the Bremerton site are taught by full-time resident faculty in Bremerton. Adjunct and visiting faculty also enhance the educational opportunities for the students. Courses at the Bremerton campus are a combination of those provided by local faculty and those delivered from other campuses. Students are advised by WSU faculty and staff who are resident in Bremerton.

The WSU BSME degree program is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>.

## Degrees Offered at Bremerton

### Undergraduate Degrees

Electrical Engineering, BS  
Mechanical Engineering, BS

## GLOBAL CAMPUS

**David Cillay, Vice President  
Academic Outreach and Innovation**  
106 Van Doren Hall  
Pullman, WA 99164-5210  
800-222-4978 / 509-335-3557  
<http://online.wsu.edu>

WSU Global Campus extends the land-grant mission of the University by serving residents of Washington and citizens of the world who require the flexibility of online higher education coupled with the rigor of a top research institution. WSU Global Campus works in collaboration with WSU academic departments to offer bachelor's and master's degrees and undergraduate and graduate certificates completely online.

## Degrees and Certificates Offered through WSU Global Campus

A degree earned at WSU Global Campus is the same as a degree earned on a WSU physical campus. WSU faculty teach online courses and WSU staff provide academic advising, career counseling, and other student support services. Global Campus students can also take advantage of online tutoring and WSU library services.

### Undergraduate Degrees

Business Administration, BA  
(Majors: Accounting; Management; and Management Information Systems)  
Criminal Justice and Criminology, BA  
Data Analytics, BS  
(Options: Actuarial Science; and Business)  
Economic Sciences, BS  
(Options: Business Economics)  
Hospitality Business Management, BA  
Human Development, BA  
Humanities, BA  
Psychology, BS  
Social Sciences, BA  
Strategic Communication, BA  
(Major: Integrated Strategic Communication)

### Graduate Degrees

Agriculture, MS  
Education:  
(Specializations: Special Education, EdM, MA; and Sport Management, MA)  
Electrical Power Engineering, PSM  
Engineering and Technology Management, METM  
Molecular Biosciences, PSM  
Software Engineering, MS  
Strategic Communication, MA

### Professional Degrees

Business Administration, MBA

### Certificates

Bioethics  
Business:  
(Finances; Marketing; and International Business)  
Engineering and Technology Management:  
(Constraints Management; Construction Project Management; General Engineering Management; Manufacturing Leadership; Project Management; Six Sigma Quality Management; Supply Chain Management; and Systems Engineering Management)  
Human Services Case Management and Administration  
Molecular Biosciences  
Sustainable Agriculture

### Student Life

Students attending WSU's Global Campus can engage in activities and events similar to those enjoyed by on-campus students, including virtual career events, academic showcases, art exhibitions, musical performances, common reading programs, and webinars featuring content experts from WSU and industry. The Global Campus student government hosts face-to-face events around the state

and graduation celebrations in Pullman and the Seattle area. Students also have access to free e-Tutoring, virtual mentors, personal academic advisors and an online exam proctoring service.

Global Campus is one of four units of WSU Academic Outreach and Innovation that works to research, identify and implement innovations that improve access to higher education, enhance faculty engagement in teaching, and facilitate student success. The other pillars of AOI include, Extended Academic Sessions, Professional Education and Academic Technology.

## **NORTH PUGET SOUND AT EVERETT**

**Paul Pitre, Chancellor**  
**2000 Tower Street MS #45**  
**Everett, WA 98201**  
**425-405-1600**  
**<http://everett.wsu.edu>**

WSU North Puget Sound at Everett is the newest campus in the WSU system. Focused on Science, Technology, Engineering, and Mathematics (STEM), WSU Everett offers baccalaureate-completion degrees to transfer students in Snohomish, Island, and Skagit counties. Students can fulfill general education requirements by taking their first two years of courses at any community college, and then finish their degree by enrolling at WSU in Everett for their junior and senior years.

Our programs are targeted to the industry needs of the region. WSU is advancing and preparing the North Puget Sound region to meet the growing need for STEM degree employees. Beginning in fall 2012, WSU Everett started the first cohort of 23 Mechanical Engineering students, joining six partner universities at the Everett University Center. On July 1, 2014, the Washington State Legislature appointed WSU management of the Everett University Center. Along with the management of Everett University Center, WSU Everett increased bachelor degree offerings to six and increased enrollment.

Expansion is strong at WSU Everett, with enrollment increasing every fall. The new WSU Everett building opens in fall 2017. As of fall 2016, 33 percent of WSU North Puget Sound at Everett students are the first in their family to attend college, 26.7 percent are ethnic minorities, 10 percent are military veterans, nearly 40 percent are Pell Grant eligible students (lower income) and four percent are international students.

## **Degrees and Certificates Offered at North Puget Sound at Everett**

### **Undergraduate Degrees**

- Agricultural Food Systems, BS  
(Major: Organic Agriculture Systems)
- Data Analytics, BS  
(Options: Actuarial Science; and Business)
- Electrical Engineering, BS
- Hospitality Business Management, BA
- Mechanical Engineering, BS
- Software Engineering, BS
- Strategic Communication, BA  
(Major: Integrated Strategic Communication)

Students who earn a degree at WSU Everett will be taught identical curriculum by research-active faculty. None of the diplomas earned at any of the WSU campuses are campus specific - they are Washington State University degrees.

All six bachelor degrees can be a minor in conjunction with one of the other six as a major, and there are select minor degrees available to WSU Everett majors through WSU Global campus courses.

## **Campus and Student Life**

WSU Everett is an intimate campus with numerous advantages. Small class sizes and cohort-based programs give students the opportunity to form a strong support system and build lifelong friendships with other students and the instructors. There are many opportunities for students to participate in group projects, which include local businesses assisting students in developing a network for future employment opportunities. WSU Everett currently has four clubs, many activities and campus events for students to participate in throughout the year.

Located on the Everett Community College campus, students have easy access to a local gym and library, study areas, engineering laboratories and computer lab. In fall 2017, the opening of the new WSU Everett's 95,000 square foot building will offer state-of-the-art classrooms, computer labs, engineering laboratories, student collaboration areas, study areas, a coffee shop, fully accessible staff to assist in all academic areas of need and a tutoring center.

The city of Everett offers a wide variety of restaurants, community events, sporting events, a beautiful view of Puget Sound and the Everett marina, and easy access to Seattle and Canada by being situated directly off I-5. Snohomish County offers sports programs, hiking, camping, boating, fishing, art shows, county fairs, museums, shopping and a rich history found in every city.

## **Industry-Aligned Programs**

WSU's presence in Everett is about more than higher education – it will help address the region's most pressing economic challenges as we compete in a worldwide marketplace. Local businesses, large and small, rely on an economic infrastructure of industrial, commercial and professional services. Those businesses need a talented, well-trained workforce to thrive and expand. As such, WSU has close ties to employers in the region to better facilitate internships and local employment for our students after graduation.

## **SPOKANE CAMPUS**

**Daryll DeWald, Chancellor**  
**WSU Spokane**  
**Academic Center**  
**600 N. Riverpoint Blvd**  
**Spokane, WA 99202**  
**509-358-7978**  
**<http://spokane.wsu.edu>**

As Washington State University's health sciences campus, WSU Spokane prepares future nurses, physicians, pharmacists, and other healthcare professionals and engages in world-class research that leads to healthier people and communities.

## **Degrees and Certificates Offered at WSU Spokane**

WSU Spokane offers graduate and baccalaureate completion programs and advanced professional studies in a variety of disciplines, with a strong focus on the health sciences and professions.

The campus is home to three of the 11 WSU colleges: the College of Medicine, the College of Nursing, and the College of Pharmacy.

The relatively new College of Medicine encompasses medical education and biomedical research. From 2008-2015, WSU Spokane educated first-year medical students as part of the WWAMI program, a partnership between universities and governments of the five participating states (Washington, Wyoming, Alaska, Montana, and Idaho) to make medical education accessible to Northwest students. In the spring 2015, WSU Spokane began pursuing the establishment of a WSU Medical school. In fall 2017, the Elson S. Floyd College of Medicine will welcome its first class of medical students. The College of Medicine also houses the departments of Speech and Hearing Sciences, which offers an undergraduate degree program and a graduate program for aspiring speech-pathologists, and Nutrition and Exercise Physiology Program, which offers a bachelor's and master's degree programs in NEP.

The WSU College of Nursing educates more than 900 upper-division undergraduate and graduate-level nursing students each year across its five sites statewide. The college graduates the most bachelor-prepared nurses in the state through its bachelor of science in nursing (BSN) program and its RN to BSN program for licensed registered nurses. The college also offers graduate programs that prepare nurses to become advanced practitioners and nurse educators, leaders, and scholars. These include the master of nursing (MN), doctor of nursing practice (DNP), and PhD programs. Also offered is a master of health policy and administration program that prepares students for leadership roles in health care management.

The WSU College of Pharmacy offers a four-year doctor of pharmacy (PharmD) professional degree program, as well as a PhD in pharmaceutical sciences. The college also has a satellite PharmD program in Yakima that began classes in fall 2015.

Also offered in Spokane is a master's degree in criminal justice and criminology and advanced degrees in education with a focus on educational leadership. The education degrees include master's, doctoral, and certificate programs for

aspiring principals, program administrators, and superintendents, as well as a Master of Teaching program. WSU education faculty play a leading role in the preparation of high school students for health sciences careers. Through an affiliation with Project Lead the Way (PLTW), they help area middle and high schools to implement PLTW's hands-on biomedical science curriculum.

### Undergraduate Degrees

Interior Design, BA  
Nursing, BS  
Nutrition and Exercise Physiology, BS  
Speech and Hearing Sciences, BA

### Graduate Degrees

Coordinated Program in Dietetics, Nutrition, and Exercise Physiology, MS  
Criminal Justice and Criminology, MA

Education:

(Specializations: Curriculum and Instruction, MA; Educational Leadership, EdD, EdM, MA; Special Education, EdM; and Teaching, elementary or secondary, MIT)

Health Policy and Administration, MHPA

Nursing:

(Specializations: Advanced Population Health, DNP, MN; Family Nurse Practitioner, DNP; and Psychiatric Mental Health Nurse Practitioner, DNP)

Nutrition and Exercise Physiology, MS, PhD

Pharmaceutical Sciences, MS, PhD

Prevention Science, MS, PhD

Speech and Hearing Sciences, MS

### Professional Degrees

Business Administration, MBA  
Doctor of Medicine, MD  
Doctor of Pharmacy, PharmD

### Certificates

Global Justice and Security  
Healthcare Leadership Certificate  
Nursing:

(Family Nurse Practitioner; Nursing Educator; Nursing Leadership; and Psychiatric Mental Health Nurse Practitioner)

### Learning Opportunities

Health sciences students at WSU Spokane are encouraged to adopt a team-based approach to health care. They are given opportunities to learn side by side with students from other health disciplines. This includes health fairs with health screenings and other community service opportunities, as well as the annual interprofessional Health Care Team Challenge, an event in which teams of future health professionals compete to develop the best care plan for patient volunteers.

Students can take advantage of a wide variety of clinical placements and internship options through campus partnerships with the health care community in the Spokane area. These options are being expanded with the opening in August 2016 of an on-campus community healthcare clinic that is providing a rotation site for students to hone their skills in an interdisciplinary setting. Care in the clinic is led by medical residents under the direction of practicing physicians.

Students also enjoy opportunities to participate in the laboratory and clinical research conducted at WSU Spokane in the areas of sleep, neuroscience, genetics, pharmacology, addictions, diabetes, other chronic diseases, cancer, community population health, and others.

### Campus Resources

WSU Spokane's 50-acre campus in the University District is close to the downtown core and bordered by the scenic Spokane River and Centennial Trail.

The growing campus was established in 1989 and features seven new modern buildings that house state-of-the-art classrooms, labs, and clinics as well as additional remodeled and existing facilities. The newest campus building is the Spokane Teaching Health Clinic, which opened in August 2016 with faculty and students from all disciplines working together with an underserved patient population whose primary care providers are medical residents.

### Student Life

Students at WSU Spokane range from full-time, traditional students to working adults balancing family responsibilities and community involvement with their studies. Close to 1,500 students from across the nation and around the world choose WSU Spokane as their destination. The Associated Students of Washington State University Spokane (ASWSUS), Student Entertainment Board (SEB), Diversity Center, Community Engagement, and many student clubs provide leadership and service opportunities.

ASWSUS and SEB, in particular, offer a variety of activities and programs to encourage social interaction and create a sense of connection to the city, such as discounted tickets to concerts and sporting events, fitness memberships, tailgates and BBQs, ski trips, and other recreational outings. They also sponsor a program that provides students with free transportation on Spokane Transit Authority's bus system.

### Student Support Services

WSU Spokane Student Affairs staff members are committed to enhancing the student experience and providing assistance with a variety of needs, including personal and crisis counseling, tutoring, writing and learning support, international and veteran student services, off-campus housing assistance, admissions, enrollment, financial aid, Cougar Cards and accommodation for disabilities.

## TRI-CITIES CAMPUS

**H. Keith Moo-Young, Chancellor**

**WSU Tri-Cities**

**2710 Crimson Way**

**Richland, WA 99354-1671**

**509-372-7000**

**<http://www.tricities.wsu.edu>**

Washington State University Tri-Cities (WSUTC), located in Richland, Washington, delivers undergraduate and graduate education to students from around the world. As a signature campus in the Washington State University family, WSU Tri-Cities is proud to be the campus of choice for STEM education delivered to students through a high impact poly-technic approach.

### Degrees and Certificates Offered at WSU Tri-Cities

Choose among a variety of courses and fields of study leading to 20 bachelors', and eight master's degrees. Doctoral programs are officially offered through the Pullman campus; however, faculty at WSU Tri-Cities participate in the graduate program, offer classes and supervise graduate student research. See a complete list on the WSU Tri-Cities website.

### Undergraduate Degrees

Biology, BS  
Business Administration, BA  
(Majors: Accounting; Business Administration; and Management)  
Civil Engineering, BS  
(Options: Environmental Engineering; and General)  
Computer Science, BA, BS  
Digital Technology and Culture, BA  
Earth and Environmental Science, BS  
(Major: Environmental and Ecosystem Sciences)  
Elementary Education, BA  
Electrical Engineering, BS  
English, BA  
(Options: Literature; and Professional Writing)  
Fine Arts, BFA  
History, BA  
Hospitality Business Management, BA  
(Majors: Hospitality Business Management; and Wine Business Management)  
Humanities, BA  
(Options: English; History)  
Integrated Plant Sciences, BS  
(Major: Viticulture and Enology)  
Mechanical Engineering, BS  
Nursing, BS

Psychology, BS  
 Science, BS  
 (Options: General Biological Sciences; General Mathematics; and General Physical Sciences)  
 Social Sciences, BA  
 (Options: Anthropology; History; Psychology; and Sociology)

### Graduate Degrees

Chemistry, MS  
 Computer Science, MS  
 Education:  
 (Specializations: Curriculum and Instruction, MA; Educational Leadership, EdD, EdM; English Language Learners, EdM; and Literacy Education, EdM)  
 Electrical Engineering, MS  
 Environmental Engineering, MS  
 Environmental Science, MS  
 Mechanical Engineering, MS  
 Nursing:  
 (Specializations: Advanced Population Health, DNP, MN; Family Nurse Practitioner, DNP; and Psychiatric Mental Health Nurse Practitioner, DNP)  
 Teacher Leadership, EdD  
 Teaching, MIT

### Professional Degrees

Business Administration, MBA

### Certificates

Education:  
 (Administrative Credentials; Endorsements; and Teacher Professional Certification Program)  
 Global Leadership  
 Human Development:  
 (Early Childhood Education; Family Studies; and Gerontology)  
 Molecular Biosciences  
 Nuclear Engineering  
 Nursing:  
 (Family Nurse Practitioner; Nursing Educator; Nursing Leadership; and Psychiatric Mental Health Nurse Practitioner)  
 Organic Agriculture  
 Professional Science and Technology Writing  
 Professional Writing

### Faculty and Research

The strength of an institution lies in the quality of the faculty and academic programs. At WSU Tri-Cities you are invited to engage in rigorous and relevant coursework and experiential learning. We focus on hands-on, relevant, and team-based problem solving.

Here you will work closely with a world-class group of faculty who will know you personally and are committed to your success from the day they enter the classroom to when your name is called at graduation.

### Campus Life

The campus is set along the scenic Columbia River in Richland, Washington. The arid desert region is known for its sunny, dry weather. The hot summers and brisk winters allow for outdoor adventures year round, from water recreation to biking along the 22-mile Sacagawea Heritage Trail that runs along the campus.

### Community Partnerships

At Washington State University Tri-Cities, students conduct research and complete projects while working with and learning from nationally and world-renowned professors who have ties to a variety of world-class organizations in the local Tri-Cities community. WSU Tri-Cities partners with the same organizations, some of which include Pacific Northwest Laboratory, Hanford Site contractors, ConAgra Foods and Energy Northwest, to provide students with opportunities for internships, co-ops and other extracurricular learning opportunities. These opportunities provide students with the career skills they need to supplement their education, as well as ensure they are career-ready by graduation.

## VANCOUVER CAMPUS

**Emile “Mel” Netzhammer, Chancellor**  
**14204 NE Salmon Creek Avenue**  
**Vancouver, WA 98686**  
**360-546-WSUV (9788)**  
**<http://vancouver.wsu.edu>**

Washington State University Vancouver is the only four-year research university in Southwest Washington. It offers a small-college atmosphere for a public-university price. With more than 3,300 students, WSU Vancouver is the largest of WSU’s urban campuses and offers the most programs and degrees.

### Degrees and Certificates Offered at WSU Vancouver

Choose among a variety of courses and fields of study leading to bachelor’s, master’s, and doctorate degrees. Note that courses may be taken toward the completion of an PhD in Education, with a math and science specialization. See a complete list on the WSU Vancouver website.

### Undergraduate Degrees

Anthropology, BA  
 Biology, BS  
 Business Administration, BA  
 (Majors: Accounting; Business Administration; Entrepreneurship; Finance; Management; Marketing; and MIS)  
 Computer Science, BS  
 Data Analytics, BS  
 (Options: Actuarial Science; and Business)  
 Digital Technology and Culture, BA  
 Earth and Environmental Science, BS  
 (Major: Environmental and Ecosystem Sciences)  
 Education, BA  
 Electrical Engineering, BS  
 English, BA  
 (Options: Creative Writing; Literary Studies; Rhetoric and Professional Writing; and Teaching)  
 History, BA  
 Hospitality Business Management, BA  
 Human Development, BA  
 Humanities, BA  
 (Options: Anthropology; Criminal Justice; Digital Technology and Culture; English; Fine Arts; Foreign Languages and Cultures; History; Human Development; Political Science; Psychology; Sociology; and Women’s Studies)  
 Mathematics, BS  
 (Options: Applied Mathematics; and Teaching without Certification)  
 Mechanical Engineering, BS  
 Neuroscience, BS  
 Nursing, BS  
 Psychology, BS  
 Public Affairs, BA  
 Social Sciences, BA  
 (Options: Anthropology; Criminal Justice; History; Human Development; Personnel Psychology/Human Resources; Political Science; Sociology; and Women’s Studies)  
 Sociology, BA  
 Strategic Communication, BA  
 (Major: Integrated Strategic Communication)

### Graduate Degrees

Computer Science, MS  
 Education:  
 (Specializations: Curriculum and Instruction, MA; Educational Leadership, EdD, EdM; English Language Learners, EdM; Literacy Education, EdM; Special Education, EdM, MA; and Teaching, elementary or secondary, MIT)  
 Electrical Engineering, MS  
 Environmental Science, MS  
 History, MA  
 Mechanical Engineering, MS

**Nursing:**

(Specializations: Advanced Population Health, DNP, MN; Family Nurse Practitioner, DNP; and Psychiatric Mental Health Nurse Practitioner, DNP)

Prevention Science, MS, PhD  
Public Affairs, MPA  
Teaching, MIT

**Professional Degrees**

Business Administration, MBA

**Certificates****Biology:**

(Quantitative Biology)

**Business:**

(Professional Sales; Stakeholder Leadership)

**Education:**

(Administrative Credentials; Endorsements; and Field-based Superintendent Certification Program)

**English:**

(Professional Science and Technology Writing; and Professional Writing)

**Human Development:**

(Early Childhood Education; Family Studies; Gerontology; and Human Services Case Management and Administration)

**Molecular Biosciences****Nursing:**

(Family Nurse Practitioner; Nursing Educator; Nursing Leadership; and Psychiatric Mental Health Nurse Practitioner)

**Faculty and Research**

More than 160 Ph.D. faculty at WSU Vancouver provide quality instruction and expertise in such diverse topics as augmented reality, drug addiction, environmental science, hearing loss, workplace behaviors, and computer-aided engineering. The 14:1 student-faculty ratio allows for rich interaction and individual attention.

**Campus and Student Life**

Located on 351 scenic acres just 10 miles north of Portland, Ore., the WSU Vancouver campus features not only state-of-the-art buildings and student gathering places, but also a system of biking and walking trails with scenic views of Mount Hood and Mount St. Helens.

An active student government and more than 50 student clubs make it easy for students to connect with each other. There are literally hundreds of events and activities for students to choose from each year. Campus centers—Access, Career Services, Student Diversity, Student Wellness, and Veterans—provide support networks for students.

**Community Partnerships**

WSU Vancouver is committed to engaging with its community. Community activities include:

**The Business Growth Mentor & Analysis Program:** Part of the Carson College of Business, Business Growth MAP provides pro-bono, student-conducted analysis and consulting services to small businesses. Students gain experience while helping businesses grow and prosper. The program contributes to the economic development of Southwest Washington and the Portland metropolitan area.

**Technology and civic engagement:** WSU Vancouver's Creative Media and Digital Culture Program exemplifies the collaborative and inventive efforts of students, technology, and local businesses. Students have partnered with the Fort Vancouver National Historic Site, Dick Hannah Dealerships, Mount St. Helens Institute, and the Oregon Museum of Science and Industry to create mobile apps and video interfaces that provide park and museum visitors with an enhanced, interactive experience.

**The Initiative for Public Deliberation:** A joint venture of the WSU Foley Institute for Public Policy and Public Service and WSU Vancouver, The Initiative for Public Deliberation prepares students to facilitate civic conversations. Public affairs students lead and promote development of a vibrant, deliberative democracy, providing discussion of community values and beliefs as related to local, state, and national issues including homelessness, affordable housing, and access to higher education.

**YAKIMA****NURSING**

**Sandy Carollo, PhD, MSN, FNP-BC, Campus Director**  
**1401W. Prash Ave, Yakima, WA 98902**  
**509-494-7900**

<https://nursing.wsu.edu/college-of-nursing-yakima/>

The College of Nursing in Yakima is located adjacent to the Allied Health building and Sundquist Hall on the Yakima Valley Community College (YVCC) campus. In keeping with its mission to offer excellent academic programs with educational institutions and community stakeholders, the College of Nursing Yakima site admits students to the Bachelor of Science in Nursing (BSN), RN-BSN, and Master of Nursing programs. Additionally, students have opportunities to pursue advanced degrees such as Doctor of Nursing Practice and PhD in Nursing in conjunction with other WSU College of Nursing campuses. Students who attend classes and complete clinically-based learning experiences in Yakima have unique opportunities to participate in the transformation of health care. This transformation includes evaluation of our health-care models and initiatives to improve community and rural health. The Yakima Campus College of Nursing has been actively engaged with a number of other health institutions and disciplines to develop and enhance collaborative learning opportunities through expansion of Interprofessional Education (IPE).

**PHARMACY**

**Angela Stewart, Assistant Dean**  
**3110 Inspiration Drive, Yakima, WA 98901**  
**509-249-7923**

<http://pharmacy.wsu.edu/prospectivestudents/pharmacyaboutyakima.html>

The WSU Doctor of Pharmacy program in Yakima offers students the unique experience of being educated on the Pacific Northwest University (PNWU) campus along with the medical students in the PNWU Doctor of Osteopathic Medicine program.

This collaboration with PNWU follows the College's vision to be a leader in protecting, promoting and improving human health, and its mission to develop outstanding healthcare professionals. The goal of the Yakima extension of the Doctor of Pharmacy program is to prepare pharmacists to be members of interprofessional health care teams and to care for patients in new and different ways to match the evolving health care landscape, ultimately expanding the availability of health services to underserved populations in rural settings.

**Degrees Offered at Yakima****Undergraduate Degrees**

Nursing, BS

**Professional Degrees**

Doctor of Pharmacy, PharmD
