

University Graduation Requirements

(Note: Students attending Washington State University Vancouver should refer to the Vancouver Campus section of this catalog for information on general education requirements. See catalog.wsu.edu/Catalog/Apps/GeneralInfo.ASP?SI=D25).

IMPORTANT: Students with initial postsecondary enrollment prior to fall 1993 should consult with the Registrar's Office. University Honors College students do not complete GERs. Contact the Honors College for additional information.

Minimum University graduation requirements: 120 total hours, 40 upper-division credit hours, and a 2.0 overall grade point average.

- Initial postsecondary enrollment is established by matriculation through a formal admission process, after high school graduation, to an accredited institution of higher education.
- An approved transferable AA degree from Washington, Oregon, Idaho, California, Arizona or Hawaii completes all lower division GER requirements except for the additional requirements in the College of Liberal Arts and the College of Sciences.
- A complete description of the General Education Program can be found in the WSU Catalog.
- [G] meets a GER in either Intercultural Studies or Arts and Humanities; [K] meets a GER in either Intercultural Studies or Social Sciences; (L) course includes a lab; [D] meets the American Diversity requirement and another GER course designation.
