

Washington State University

Faculty, 2009

A

Patricia L. Aamodt
Clinical Assistant Professor, College of Nursing

John H. Abell
PhD, The Architectural Association, London, UK
M Arch, The University of Utah
Associate Professor, School of Architecture & Construction Management

J. Manuel Acevedo
MEd, Washington State University
PGrad, Seminary of Yarumal, Medellin Columbia
Director, Multicultural Student Services

Robert E. Ackerman
PhD, University of Pennsylvania
Professor Emeritus, Anthropology

Jennifer C. Adam
Ph.D., University of Washington
Assistant Professor, Civil and Environmental Engineering

Joseph O. Adams
Masters, Gonzaga University
Instructor, College of Nursing

Gilad Aharonovitz
PhD, Tel Aviv University
Assistant Professor, School of Economic Sciences

Jeongmin Ahn
Assistant Professor, School of Mechanical and Materials Engineering

Fevzi Akinci
PhD, Saint Louis University
Associate Professor, Dept. of Health Policy & Administration

Brent Albertson
BS-PhSci, North Dakota State University
PharmD, North Dakota State University
Clinical Assistant Professor, Pharmacotherapy/Spokane

Roger T. Alexander
PhD, George Mason University
Associate Professor, School of Electrical Engineering and Computer Science

J. R. Alldredge
PhD, Texas A & M University
Professor, Department of Statistics
Extension Specialist E-4, Department of Statistics
Scientist Inst/res, Department of Statistics

Carol B. Allen
Clinical Associate Professor, College of Nursing

Michael L. Allen
PhD, Toronto
Instructor, Department of Physics and Astronomy

Mikel Jonelle Allen
Instructor, College of Nursing

Kim Andersen
Cand Mag, University of Copenhagen
Assistant Professor, University Honors College

Suzanne Ranae Anderson
Instructor, Liberal Arts General Studies
Professor Chair, Anthropology

Preston K. Andrews
PhD, Washington State University
Associate Scientist, Horticulture and Landscape Architecture
Associate Professor, Horticulture and Landscape Architecture

Carol M. Anelli
PhD, University of Illinois-Champaign
Associate Professor, Entomology

Stephen D. Antolovich
PhD, University of California, Berkeley
MS, University of Wisconsin, Madison
Professor of Mechanical & Materials Engineering, School of Mechanical and Materials Engineering

Andrew M. Appleton
PhD, New York University
Associate Professor, Political Science

Charles Argersinger
PhD, University of Minnesota
Professor, School of Music

Kuruppu Ariyawansa
PhD, University of Toronto
Professor & Chair, Mathematics

Merry A. Armstrong
DNsc, University of San Diego
Associate Professor, College of Nursing

Kristin L. Arola
PhD, Michigan Technological University
Assistant Professor, English

Linda B. Arthur
PhD, University of California, Davis
Professor, Apparel, Merchandising, Design and Textiles

James R. Asay
PhD, Washington State University
Associate Director, Institute for Shock Physics

Teresa L. Ashford
MS, Oregon State University
Instructor, Washington State University - Vancouver
Resident faculty, WSU Tri-Cities

Erica Weintraub Austin
PhD, Stanford University
Professor, Edward R. Murrow College of Communication

B

Richard A. Backes
MBA, Washington State University
Student Affairs Officer 3 Counselor, Registrar

Jeanne C. Bagby
MA, Washington State University
Instructor, International Programs Intensive American Language Center

David F. Bahr
PhD, University of Minnesota
Professor, School of Mechanical and Materials Engineering

Danial E. Baker
PharmD, University of Minnesota
BPharm, Washington State University
Professor, Pharmacotherapy/Spokane

Timothy Baker
PhD, Ohio State University
Associate Professor, Washington State University - Tri-Cities

Shila Baksi
PhD, Washington State University
Assistant Professor, Anthropology
Instructor, General Education

Miriam S. Ballejos
PhD, Cornell University

Associate Professor, Food Science

Amit Bandyopadhyay
PhD, University of Texas at Arlington
Professor, School of Mechanical and Materials Engineering

Stacey B. Bankhead
M.S., University of Idaho, Zoology
Associate in Research, Crop and Soil Sciences

Arreed F. Barabasz
PhD, University of Canterbury
EdD, State University of New York, Albany
Professor, Educational Leadership and Counseling Psychology

Karen V. Barale
County Extension Educator E-2, Washington State University County Extension

John Frank Barber
Visiting Assistant Professor, English
Director, State of Washington Water Research Center

Gustavo V. Barbosa-Canovas
PhD, University of Massachusetts
Professor and Scientist, Biological Systems Engineering

Erol Barbut
PhD, University of California
Instructor, Mathematics

Theresa A. Barenz
Instructor, College of Nursing

L. Katherine Baril
MBA, University of Puget Sound/American University
JD, University of Puget Sound
Extension County Director E-3, Washington State University County Extension

Robert V. Barnstone
MArch, Harvard University
Associate Professor, School of Architecture & Construction Management

George M. Barrington
PhD, Washington State University
DVM, Washington State University
Associate Professor, Veterinary Clinical Sciences

Marianne R. Bash
Librarian 2, Washington State University - Vancouver

Robert C. Bates
PhD, Colorado State University
Provost Emeritus

Darcy Batura
County Extension Educator E-1, Washington State University County Extension

Stephanie SanMiguel Bauman
PhD, University of California, Santa Barbara
Associate Professor, Educational Leadership and Counseling Psychology

Julie E. Baumgartner
Instructor, International Programs Intensive American Language Center

Mary C. Bayne
MS, University of Colorado
Associate Professor, College of Nursing

Allyson M. Beall
PhD, Washington State University
Teaching Associate, School of Earth and Environmental Sciences

John Becker-blease
Assistant Professor, Finance Insurance & Real Estate

Maria A. Beebe
Director, Center to Bridge the Digital Divide
Scientist, Food Science

Elizabeth H. Beers
PhD, Pennsylvania State University
Scientist, WSU-Wenatchee Tree Fruit Research and Extension Center
Extension Specialist E-4, WSU-Wenatchee Tree Fruit Research and Extension Center

Gregory Belenky
MD, Stanford University School of Medicine
Director, Sleep Research & Performance Center, Washington State University Spokane

Jennifer M. Beller
PhD, University of Idaho
Associate Professor, Educational Leadership and Counseling Psychology

Robert B. Bendel
Research Professor, College of Nursing
Director, Wood Materials & Engineering Laboratory

Paul Benny
Assistant Professor, Chemistry

Clifford Berkman
Professor, Chemistry

Gerald B. Berthiaume
DMA, University of Washington
Professor and Chair, School of Music and Theatre Arts
Professor, Washington Animal Disease Diagnostic Laboratory

Pamela J. Bettis

PhD, University of Toledo
Associate Professor, Department of Teaching and Learning

Curtis E. Beus
PhD, Washington State University
Extension County Director E-3, Washington State University County Extension

Haluk Beyenal
Assistant Professor, Chemical Engineering

Ruth C. Bindler
PhD, Washington State University
Associate Professor, College of Nursing

Becky Jean Bitter
MA, Washington State University
Student Affairs Officer 2 Counselor, Registrar

R. Alan Black
PhD, University of Alberta
Professor, School of Biological Sciences

John Blakeslee
PhD, Massachusetts Institute of Technology
Assistant Professor, Department of Physics and Astronomy

Keith A. Blatner
PhD, Virginia Polytechnic Institute & State University
Professor and Chair, Department of Natural Resource Sciences

Mary Bloodsworth-Lugo
PhD, University of Memphis
Associate Professor/Associate Dean, Comparative Ethnic Studies/College of Liberal Arts

Doerte Blume
Associate Professor, Department of Physics and Astronomy

John H. Bodley
PhD, University of Oregon
Professor, Anthropology

Robin S. Bond
PhD, University of California, Los Angeles
PhD, University of California, Los Angeles
Instructor, Foreign Languages and Cultures
Instructor, University Honors College

Trevor James Bond
MA, University of California, Los Angeles
MLIS, University of California, Los Angeles
Librarian 3, WSU Libraries

Chayanin Boonpongmanee
Assistant Professor, College of Nursing

Anjan Bose
PhD, Iowa State University
Professor, College of Engineering and Architecture

Susmita Bose
PhD, Rutgers - The State University of New Jersey
Assistant Professor, School of Mechanical and Materials Engineering

Brenda J. Boyd
PhD, University of Georgia
Associate Professor, Human Development

Pat E. BoyEs
MACE, Washington State University
State Program Leader E-3, Washington State University Extension

Eileen E. Brady
MSLS, University of Southern California
Librarian 3/Associate Professor, WSU Libraries

Renee B. Branch
Instructor, Washington State University - Vancouver

Kelly A. Brayton
PhD, Purdue University
Assistant Professor, Veterinary Microbiology and Pathology

Laurence Brewer
Assistant Professor, Chemical Engineering

Thomas A. Brigham
PhD, University of Kansas
Professor and Scientist, Psychology

Debra Jean Brinker
Instructor, College of Nursing

Antone Leavitt Brooks
PhD, Cornell University
Research Professor, Washington State University - Tri-Cities

Kerry R. Brooks
PhD, University of Washington
MUP, University of Washington
Associate Professor/Director GIS & Sim Lab, Horticulture and Landscape Architecture and Interdisciplinary Design Institute

Ronald W. Brosemer
PhD, University of Illinois
Professor, School of Molecular Biosciences - Fulmer

Kay Lynn Brothers
PhD, University of Idaho

Student Affairs Officer 2 Counselor, Student Financial Aid

Angela Philip Brown
PhD, University of Edinburgh
Instructor, Food Science and Human Nutrition

David Joseph Brown
Assistant Professor, Crop and Soil Sciences
Assistant Scientist, Crop and Soil Sciences

Gary R. Brown
PhD, Washington State University
Director, Center for Teaching, Learning, and Technology

John J. Brown
PhD, University of Missouri
Chair and Scientist, Entomology
Professor and Chair, Entomology

Marie Scott Brown
Research Professor, College of Nursing

R. Lane Brown
Assistant Professor, WWAMI Medical Education Program
Assistant Professor, Veterinary and Comparative Anatomy Pharmacology and Physiol

Sandra J. Brown
MACE, Washington State University
County Extension Educator E-4, Washington State University County Extension

Steve Brown
MS, University of Idaho
Research Associate, Materials Research Center

John A. Browse
PhD, University of Auckland, New Zealand
Scientist, Institute of Biological Chemistry
Professor, Institute of Biological Chemistry

James Alan Brozik
Associate Professor, Chemistry

Jennifer Brummett
MM, Southern Methodist University
Instructor, School of Music and Theatre Arts

Joseph Peter Brunelli
Assistant Research Professor, School of Biological Sciences

Lawrence D. Bruya
PhD, Purdue University
Professor, Educational Leadership and Counseling Psychology

Jeffrey Bryan

PhD, University of Missouri
DVM, University of California, Davis
Assistant Professor, Veterinary Clinical Sciences

William W. Budd
PhD, University of Pennsylvania
Environmental Planning Specialist and Professor, Division of Governmental Studies and Political Science
Professor, Environmental Science and Regional Planning

Matthew Bumpus
PhD, The Pennsylvania State University
Assistant Professor, Human Development

W. Trent Bunderson
Associate Director, International Programs Development Cooperation

Helen Burgess
Assistant Professor, Washington State University - Vancouver

Ian Burke
Assistant Professor, Crop and Soil Sciences
Assistant Scientist, Crop and Soil Sciences

J. Jeffrey Burnett
M Arch, University of Idaho
Assistant Professor, School of Architecture & Construction Management
Professor, Psychology

John W. Burns
M.S., Washington State University
Extension Specialist E-4, Crop and Soil Sciences

Emily Burt
County Extension Educator E-1, Washington State University County Extension
Scientist, Crop and Soil Sciences

Jan Roger Busboom
PhD, Michigan State University
Scientist, Animal Sciences
Extension Specialist E-4, Animal Sciences

Karen D. Busch
PhD, University of Texas, Austin
Associate Professor, College of Nursing

Frederick W. Busselle
Ph.D., Michigan State University
Associate Professor, Edward R. Murrow College of Communication

Todd Wayne Butler
PhD, University of North Carolina
Assistant Professor, English

Patricia Butterfield

Dean and Professor, College of Nursing

Theresa Buxton
Instructor, College of Nursing
Instructor, University Writing Program

C

Joan M. Caley
Coordinator, Washington State University - Vancouver
Associate Professor, School for Global Animal Health

Anne E. Campbell
PhD, University of Florida
Assistant Professor, Department of Teaching and Learning
Clinical Assistant Professor, Veterinary and Comparative Anatomy, Pharmacology, and Physiology

Connan David Campbell
MA, Syracuse University
Associate Director for Student Development, Campus Involvement

Joseph Keim Campbell
PhD, University of Arizona
Associate Professor, Philosophy

Kenneth B. Campbell
PhD, University of California, Davis
DVM, University of California, Davis
Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

R Keith Campbell
MBA, Washington State University
PharmB, Washington State University
Distinguished Professor in Diabetes Care, College of Pharmacy

June Canty
EdD, University of Washington
Professor, Department of Teaching and Learning

Lisa Carloye
PhD, University of Illinois Champaign-Urbana
Clinical Assistant Professor, College of Sciences

Susan Carpenter
Professor, Veterinary Microbiology and Pathology
Assistant Research Professor, Crop and Soil Sciences

Kenneth L. Carper
MS, Washington State University
Professor, School of Architecture & Construction Management

Lori M. Carris

PhD, University of Illinois
Associate Professor, Plant Pathology

Diane Carroll
PhD, University of Wisconsin, Madison
MS, University of Illinois
Librarian 2, WSU Libraries
Scientist, Department of Natural Resource Sciences

Patrick A. Carter
PhD, University of Colorado
Associate Professor, School of Biological Sciences

Vicky Carwein
Chancellor, Washington State University - Tri-Cities

Kenneth L. Casavant
PhD, Washington State University
Scientist and Professor, School of Economic Sciences

Scott C. Case
PhD, Lehigh University
Student Affairs Officer 2, Counseling Services

Lisa Catanzarite
PhD, Stanford
Associate Professor, Sociology

Nicholas Robert Cerruti
Ph.D., Washington State University
Instructor, Department of Physics and Astronomy

Linda Chalker-Scott
PhD, Oregon State University
Extension Urban Horticulturist, WSU Puyallup Research and Extension Center
Associate Professor, Horticulture and Landscape Architecture

Lisa A. Chamberlin
M.Ed, Central Washington University
Instructor, Washington State University - Tri-Cities
Site Coordinator, BA in Elementary Ed Program - Walla Walla

Siew Hoong, Chan
Ph.D., University of Utah
Assistant Professor, Department of Accounting

Aloysius Chang
Instructor, Foreign Languages and Cultures

Roger C. Chapman
PhD, North Carolina State University
Professor, Department of Natural Resource Sciences
Extension Specialist E-4, WSU Puyallup Research and Extension Center

Santanu Chaudhuri
PhD, SUNY Stony Brook, NY
Scientist, Applied Sciences Laboratory
Research Faculty, Institute for Shock Physics

Shulin Chen
PhD, Cornell University
Professor & Scientist, Biological Systems Engineering

Annie V Chen-Allen
BS, Texas A&M University
DVM, Texas A&M University
Assistant Professor, Neurology and Neurosurgery, Veterinary Clinical Sciences

Rick Cherf
Visiting Professor, School of Architecture & Construction Management
Professor, Speech and Hearing Sciences

Boon P. Chew
PhD, Purdue University
Professor, Food Science
Scientist, Food Science

Geng-qing Chi
Assistant Professor, School of Hospitality and Business Management

Peter M. Chilson
MFA, Pennsylvania State University
Associate Professor, English

Katherina Choka
Clinical Assistant Professor, College of Nursing

Hayley Helene Chouinard
PhD, University of California-Berkeley
Associate Professor, School of Economic Sciences
Associate Scientist, School of Economic Sciences

Yung-hwa Anna Chow
MA, Washington State University
Instructor, Liberal Arts General Studies
Affiliate Faculty, Women's Studies Department

Ann Christenson
MFA, University of California, Berkeley
Professor, Fine Arts

Serena Chung
PhD, California Institute of Technology
Assistant Research Professor, Civil and Environmental Engineering

Marcia Katigbak Church
PhD, Washington State University
Research Associate, Educational Leadership and Counseling Psychology

David Randal Cillay
Director, Extended University Services

Candis Claiborn
PhD, University of North Carolina
Dean and Professor, College of Engineering and Architecture

Aurora Clark
Assistant Professor, Chemistry
Associate Professor, Food Science

Sue B. Clark
PhD, Florida State University
Professor and Chair, Chemistry
Assistant Scientist, Horticulture and Landscape Architecture

Barbara J. Clausen
MA, Portland State University
Coordinator, Washington State University - Vancouver

Cathy Claussen
J.D. Georgetown University Law Center
Professor, Sport Management
Educational Leadership and Counseling Psychology

Paul F. Clay
Assistant Professor, Department of Accounting
Director, Thomas S. Foley Institute of Public Policy and Public Service

Janet R. Cleveland
MS, Kansas State University
Student Affairs Officer 1, Washington State University - Vancouver

Wayne Owen Cochran
PhD, Washington State University
Assistant Professor, Washington State University Vancouver, School of Engineering & Computer Sci

William F. Cofer
PhD, Georgia Institute of Technology
Professor, Civil and Environmental Engineering

Lawrence J. Cohen
PharmD, University of Southern California - Los Angeles
Professor and Chair, Pharmacotherapy/Spokane

Patricia J. Cohn
MS, Washington State University
Associate In, Department of Natural Resource Sciences

Gary S. Collins
PhD, Rutgers University
Professor of Physics, Department of Physics and Astronomy

Sharon J. Collman
MS, University of Washington
PhD, University of Washington
County Extension Educator E-4, WSU Snohomish County Extension

David M. Conley
PhD, Washington State University
Clinical Assistant Professor, WWAMI Medical Education Program & School of Biological Sciences
Director, Human Anatomy Laboratory, WWAMI Medical Education Program

Sheila K. Converse
PhD, Washington State University
Clinical Assistant Professor, School of Music

Diane Joyce Cook
Professor, School of Electrical Engineering and Computer Science

R. James Cook
PhD, University of California, Berkeley
Scientist, Plant Pathology

Sandra Cooper
PhD, Colorado State University
Associate Professor, Mathematics

Janice Lee Corey
MA TESL, University of Idaho
Instructor, International Programs Intensive American Language Center

Anita J. Cory
MSEd, University of Nebraska, Kearney
Student Affairs Officer 2, Greek Life

Jane Cote
PhD, Washington State University
Associate Professor, Accounting, WSU Vancouver

Joseph A. Cote, Jr.
PhD, University of Arizona
Professor, Washington State University - Vancouver

Asaph B. Cousins
Assistant Professor, School of Biological Sciences

Joseph S. Coyne
DrPH, University of California, Berkeley
Professor, Department of Health Policy and Admin
Director, Center for International Health Services Research & Policy

Rebecca M. Craft
PhD, University of North Carolina
Professor, Psychology, Neuroscience, Pharmacology/Toxicology

B. Susie Craig

MS, Purdue University
Area Extension Educator E-4, Washington State University County Extension

Tammy K. Crawford
Clinical Assistant Professor, Educational Leadership and Counseling Psychology

Glenn Ellis Crellin
M.A., University of Maryland, College Park
Director, Washington Center for Real Estate Research
Faculty, Department of Finance, Insurance and Real Estate

Vicki F. Croft
MSLS, University of Illinois at Urbana-Champaign
Librarian 4 and Head, Animal Health Library, WSU Libraries

Linda Cara Katherine Shippert
MLIS, University of Washington
Librarian 2, WSU Libraries
Professor, Institute of Biological Chemistry

Gregory James Crouch
Clinical Associate Professor, Chemistry

John B. Cullen
PhD, Columbia University
Professor, Management & Operations

Lara A. Cummings
MLIS, University of South Carolina
Librarian 3, WSU Libraries

Krzysztof Czaja
Ph.D., UWM
D.V.M., UWM
Assistant Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiol

D

Zhe Dang
Assistant Professor, School of Electrical Engineering and Computer Science

Sayed S. Daoud
PhD, University of Louisville
BPharm, Cairo University
Associate Professor, Pharmaceutical Sciences

Nairanjana Dasgupta
PhD, University of South Carolina
Associate Professor, Department of Statistics

Joan R. Davenport
PhD, University of Guelph - Ontario, Canada

Associate Scientist, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Laurence B. Davin
PhD, University Paul Sabatier - Toulouse, France
Coordinator, Institute of Biological Chemistry

Denny C. Davis
PhD, Cornell University
Professor, Bioengineering

Harmony Love Davis
Instructor, Human Development

Sabine Jeanne Davis
MA, Oklahoma State University
Clinical Associate Professor, Foreign Languages and Cultures

William C. Davis
PhD, Stanford University
Professor, Veterinary Microbiology and Pathology

Lorrie June Dawson
PhD, University of Utah
Clinical Associate Professor, Washington State University - Tri-Cities

Richard M. DeBowes
MS, Washington State University
DVM, University of Illinois
Associate Dean & Professor of Surgery, College of Veterinary Medicine

Mary Katherine Y. Deen
PhD, University of Idaho
Diversity Director, WSU Extension
Youth & Family Extension Specialist, Human Development

Lida Jean Dekker
Instructor, Washington State University - Vancouver

Jose G. Delgado-Frias
PhD, Texas A & M University
Director and Professor, School of Electrical Engineering and Computer Science

Harold A. Dengerink
PhD, Kent State University
Chancellor, Washington State University - Vancouver

Maria K. DePrano
PhD, University of California, Los Angeles
Assistant Professor, Fine Arts

Duane DeTemple
PhD, Stanford University
Professor, Mathematics

Lisa C. Devine
BA, Arizona State University
Assistant Registrar, Registrar

Cheryl R. Dhein
MS, Purdue University
DVM, University of Minnesota
Associate Professor, Veterinary Clinical Sciences

A. S. Dhillon
PhD, University of Wisconsin
DVM, Punjab University, School of Veterinary Medicine
Professor, Veterinary Microbiology and Pathology

Amit Dhingra
PhD, University of New Delhi
Assistant Professor, Horticulture and Landscape Architecture

J. T. Dickinson
PhD, University of Michigan
Regents Professor, Department of Physics and Astronomy

Donald A. Dillman
PhD, Iowa State University
Scientist, Department of Community and Rural Sociology
Regents Professor, Social and Economic Sciences Research Center
Associate Director, Social and Economic Sciences Research Center

Joye J. Dillman
MS, Iowa State University
Associate Professor, Human Development

Jow-Lian Ding
PhD, Brown University
Professor, School of Mechanical and Materials Engineering

James P. Dobrowolski
PhD, Texas A & M University
Extension Specialist E-3, Department of Natural Resource Sciences
Associate Scientist, Department of Natural Resource Sciences

Michael V. Dodson
PhD, University of Arizona
Professor and Scientist, Animal Sciences

William T. Doenecke
PhD, Washington State University
Instructor, Washington State University - Vancouver
Director of Codes and Standards, Wood Materials and Engineering Laboratory

Wenji Dong
PhD, University of London, England
Assistant Professor, Chemical Engineering & Bioengineering

Zheng-Min Dong
PhD, University of Washington
Emeritus Professor, Foreign Languages and Cultures

Donna Dee Douglass
MA, Arizona State University
Project Associate, Washington Institute for Mental Illness Research & Training, WSU Spokane

Laurie Drapela
PhD, University of Texas, Austin
Associate Professor, Political Science

Jolanta Drzewiecka
Ph.D., Arizona State University
Associate Professor, Edward R. Murrow College of Communication

Andrew Duff
PhD, Arizona State University
Associate Professor, Anthropology

Kenneth D. Duft
PhD, University of California
Extension Specialist E-4, School of Economic Sciences
Professor & Scientist, School of Economic Sciences

John E. Dunley
PhD, Oregon State University
Associate Scientist, WSU-Wenatchee Tree Fruit Research and Extension Center
Extension Specialist E-3, WSU-Wenatchee Tree Fruit Research and Extension Center

Michael W. Dunn
PhD, Indiana University Bloomington
Assistant Professor of Special Education, Department of Teaching and Learning

Alice E. Dupler
Clinical Assistant Professor, College of Nursing

James Edward Durfey
Senior Instructor, Biological Systems Engineering

Prashanta Dutta
PhD, Texas A&M University
Assistant Professor, School of Mechanical and Materials Engineering

Mark Dybdahl
PhD, University of California, Davis
Associate Professor, School of Biological Sciences
Associate Vice Provost, Office of Research

E

Kenneth C. Eastwell

PhD, University of Alberta
Associate Scientist, Department of Plant Pathology
Associate Scientist, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Linda Lee Eddy
PhD, Oregon State University
MSN, California State University, Long Beach
Assistant Professor, Washington State University - Vancouver

Daniel Anthony Edge-Garza
BS, California State University, Fresno
Associate In, Horticulture and Landscape Architecture
Assistant Scientist, Horticulture and Landscape Architecture

Charles G. Edwards
PhD, The Pennsylvania State University
Scientist (enology), Food Science
Professor, Food Science

Debbie J. Edwards
MA, Washington State University
Director, Career Services

Janet W. Edwards
M Ed, Washington State University
Extension Specialist E-2, Washington State University Extension
Extension Specialist E-2, Human Development

Laurel Gay Edwards
Instructor, Department of Teaching and Learning

Lonneke Eeuwes
Research Associate, Washington State University - Vancouver

Phyllis Eide
PhD, University of Colorado
Assistant Professor, College of Nursing

Jennifer Ann Eldridge
Associate In, Veterinary Microbiology and Pathology

Mohamed Elgawady
PhD, Swiss Federal Institute of Technology
Assistant Professor, Civil and Environmental Engineering

James T. Elliston
Assistant Research Professor, Nuclear Radiation Center

Peter W. Engels
Assistant Professor, Department of Physics and Astronomy

Douglas Epperson,
PhD, Ohio State University
Dean, College of Liberal Arts, Professor of Psychology

Phyllis Erdman
PhD, St. Mary's University
Professor and Chair, Educational Leadership and Counseling Psychology

Gisela Ernst-Slavit
PhD, University of Florida
Professor, Department of Teaching and Learning

Aaron D. Esser
Extension County Director E-2, Washington State University County Extension

Marc A. Evans
PhD, University of Wyoming
Extension Specialist E-3, Department of Statistics
Associate Professor, Department of Statistics
Associate Scientist Inst/res, Department of Statistics

R. David Evans
PhD, Washington State University
Associate Professor, School of Biological Sciences

F

Daniel L. Fagerlie
MA, Washington State University
Extension County Director E-4, Washington State University County Extension

Raymond J. Faini
MDiv, Mt. St. Mary Seminary, The Athenaeum of Ohio
Extension County Director E-4, Washington State University Extension
Director, NCW Learning Center, Washington State University Extension

Jason Farman
Assistant Professor, English

Kelly D. Farnsworth
MS, Virginia-Maryland Regional College of Veterinary Medicine
DVM, Washington State University
Assistant Professor, Veterinary Clinical Sciences

Kenneth Faunce
Instructor, General Education

Mauricio Featherman
PhD, University of Hawaii
Assistant Professor, Information Systems

Christopher Feise
PhD, Washington State University
Director, Washington State University County Extension

John Fellman
PhD, University of Idaho
Professor & Scientist, Horticulture and Landscape Architecture

Allan S. Felsot
PhD, Iowa State University
Scientist and Extension Specialist E-4, Food and Environmental Quality Laboratory

Janean L. Fidel
DVM, University of California - Davis
MS, University of California - Davis
Assistant Professor, Veterinary Clinical Sciences

Nickol P. Finch
Instructor, Veterinary Clinical Sciences

Eleanor F. Finger
MA, John Carroll University
M.Ed, University of Arkansas
Director, Residence Life

Thomas R. Fischer
PhD, University of Massachusetts
Professor, School of Electrical Engineering and Computer Science

Emmett P. Fiske
PhD, University of California, Davis
CAS, Harvard University
Interim Director, Center for Environmental Research, Education and Outreach (CEREO)

Landon Arthur Fitch
Instructor, Educational Leadership and Counseling Psychology

George Fletcher
Assistant Professor, Washington State University Vancouver School of Engineering & Computer Sci

Malaquias Quiroz Flores
PhD, Michigan State University
MS, Brigham Young University
Research Associate, WSU Puyallup Research and Extension Center

Markus Flury
PhD, Swiss Federal Institute of Technology, Zurich
MS, University of Zurich
Professor, Crop and Soil Sciences
Scientist, Crop and Soil Sciences

Franklin F. Foit, Jr.
PhD, University of Michigan
Professor, School of Earth and Environmental Science

Andrew Ford
PhD, Dartmouth College
Professor, School of Earth and Environmental Sciences

William J. Foreyt
PhD, University of Wisconsin
Professor, Veterinary Microbiology and Pathology

Ann-marie Fortuna
Assistant Professor, Crop and Soil Sciences
Assistant Scientist, Crop and Soil Sciences

Lenoar Foster
EdD, University of Nevada, Reno
Professor and Associate Dean, Educational Leadership and Counseling Psychology

John D. Fouts
MACE, Washington State University
County Extension Educator E-3, Walla Walla County Extension
Professor, Animal Sciences

Linda Kirk Fox
PhD, Oregon State University
Associate Dean, Washington State University Extension

John Fraire
Vice President, Office of Enrollment Management

Debra Jo Franck
BSN, Washington State University
Instructor, College of Nursing

Steven C. Fransen
PhD, South Dakota State University
Extension Specialist E-3, WSU-Prosser Irrigated Agriculture Research and Extension Center

Boel A. Fransson
PhD, Swedish University of Agricultural Sciences
Assistant Professor Small Animal Surgery, Veterinary Clinical Sciences

Bruce E. Frazier
PhD, University of Wisconsin, Madison
Associate Professor, Crop and Soil Sciences

Gary R. Fredricks
MS, Washington State University
Extension County Director E-3, Washington State University County Extension

Barbara Freeouf
EdD, University of Chicago
Coordinator, Washington State University - Vancouver

Sarah W. French
MA, University of Iowa
M.Ed., University of Oklahoma
Librarian 2, WSU Libraries
Assistant Professor, WSU Libraries

Head, Brain Education Library

Timothy Scott Freson
MS, Washington State University
Student Affairs Officer 1 Counselor, Health and Wellness Services

E. Patrick Fuerst
PhD, Michigan State University
Assistant Research Professor, Crop and Soil Sciences

Anna M. Fulton
Instructor, College of Nursing

Elizabeth Fussell
PHD, University of Wisconsin Madison
Assistant Professor, Sociology

G

Gregmar I. Galinato
PhD, University of Maryland
Assistant Professor, School of Economic Sciences

Bradley Gaolach
PhD, University of Washington
Extension County Director E-2, Washington State University County Extension

Mary H. Garcia
MA, WSU
Instructor, Human Development

Manuel Garcia-Perez
PhD, Laval University (Canada)
Assistant Professor & Assistant Scientist, Biological Systems Engineering

Todd F. Garlick
Instructor, School of Electrical Engineering and Computer Science

John Paul Garofalo
PhD, University of Texas at Southwestern Medical Center at Dallas
Assistant Professor, Washington State University - Vancouver

Maria Gartstein
PhD, University of Cincinnati
Associate Professor, Psychology
Scientist, Animal Sciences

Felicia E. Gaskins
MA, Antioch University
Associate Vice President, Office of the Vice President for Equity and Diversity

Gerri L. Gass

Instructor, College of Nursing

Brian John Gates
Pharm.D., Washington State University
Clinical Associate Professor, Pharmacotherapy/Spokane

John M. Gay
PhD, University of Minnesota
DVM, Washington State University
Associate Professor, Veterinary Clinical Sciences
Associate Scientist, Veterinary Clinical Sciences

David R. Gaylord
PhD, University of Wyoming
Professor, Geology

Kulvinder Gill
PhD, Kansas State University
MSc, Punjab Agricultural University, Punjab, India
Professor and the Vogel Endowed Chair, Crop and Soil Sciences

Susan Gill
PhD, Michigan State University
Associate Professor, Department of Accounting

Briedi Rae Gillespie
Clinical Assistant Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiol

Kathleen Renee Girus
Instructor, College of Nursing

Dean Alvin Glawe
PhD, Washington State University
Assistant Dean, WSU Puyallup Research and Extension Center

Lisa M. Gloss
PhD, University of California, Berkeley
Associate Professor, School of Molecular Biosciences

Jessica R. Goldberger
PhD, University of Wisconsin-Madison
Assistant Professor, Department of Community and Rural Sociology

Richard Gomulkiewicz
PhD, University of California, Davis
Professor, Mathematics
Professor, School of Biological Sciences

Benjamin Michael Gonzales
MIT, Washington State University
Instructor, Department of Theatre & Dance
Designer/Lighting, Department of Theatre & Dance

Rebecca M. Goodrich

MFA, University of Idaho
Instructor, English

Luz María A. Gordillo
PhD, Michigan State University
Assistant Professor, Women's Studies
Affiliate Faculty, History
Affiliate Faculty, American Studies

Lynn M. Gordon
PhD, University of California, Los Angeles
Associate Professor, English

Candice Goucher
PhD, University of Southern California, Los Angeles
Professor, Washington State University - Vancouver

Harvey Gover
MPA, Texas A & M University, Tarleton
MLS, University of Texas
Librarian 3, Washington State University - Tri-Cities

David Granatstein
MS, Washington State University
Area Extension Educator E-4, Washington State University County Extension

Kelsey Gray
PhD, Gonzaga University
Extension Specialist E-4, WSU Extension

Sheila L. Gray
MA, University of Phoenix
County Director, Washington State University Lewis County Extension

Kimberly A. Green
MA, TESL, San Francisco State University
Instructor, International Programs Intensive American Language Center

Stephen A. Greene
MS, University of Illinois-Urbana
DVM, University of Missouri-Columbia
Professor, Veterinary Clinical Sciences

Elizabeth Marie Greggain
Masters, WSU
Instructor, Human Development

Larry Gregory
Clinical Assistant Professor, Department of Teaching and Learning

Debra L. Grieb
MLS, Emporia State University, Kansas
Librarian 2, WSU Libraries

William S. Griesar
Instructor, Washington State University - Vancouver

Rudyne M. Grigar
Associate Professor, English

Howard D. Grimes
PhD, North Carolina State University
Professor, Molecular Biosciences
Dean, Graduate School, Vice President of Research

Michael Griswold
PhD University of Wyoming
Dean and Professor, School of Molecular Biosciences

Amy Grotta
MS, Oregon State University
County Extension Educator E-2, Washington State University County Extension
Extension Specialist E-3, WSU-Prosser Irrigated Agriculture Research and Extension Center

Royce P. Grubic
PhD, University of Southern California
MA, University of Richmond
Instructor, Philosophy

Yi Gu
Ph.D, Columbia University
Assistant Professor, Department of Physics and Astronomy

Lisa Guerrero
PhD, University of California, Santa Cruz
Assistant Professor, Comparative Ethnic Studies
Core Faculty, American Studies Program

Virginia Guido
Associate Professor, College of Nursing

Cheryl Gunselman
MA, Reed College, Portland
MSLIS, University of Illinois at Urbana-Champaign
Librarian 3, WSU Libraries

Hakan Gurocak
PhD, Washington State University
Director, WSU Vancouver School of ENCS

Toni Rose Gwin
MS, Central Washington University
County Extension Educator E-2, Washington State University County Extension

H

Kay E. Haaland
M.S., Washington State University
Area Extension Educator E-4, Washington State University Extension
Printmaking Area Coordinator, Fine Arts

Melvin R. Haberman
PhD, University of Washington
Associate Dean, College of Nursing

Lee A. Hadwiger
PhD, Kansas State University
Scientist, Plant Pathology

Jack R. Hagemester
MS CS, University of Idaho
Instructor, School of Electrical Engineering and Computer Science

Laura Dawn Hahn
Clinical Assistant Professor, College of Nursing

Leslie D. Hall
PhD, Ohio State University
Clinical Assistant Professor, Department of Teaching and Learning

Isabel E. Hulst
Instructor, International Programs Intensive American Language Center

Launa L. Hamlin
Research Associate, Center for Precision Agricultural Systems
Graduate Director, English

Alexander Hammond
PhD, Northwestern University
Associate Professor, English

Elizabeth A. Powers-Hammond
MS, Washington State University
Area Extension Educator E-3, Washington State University County Extension
Scientist, Veterinary Clinical Sciences

Deborah J. Handy
PhD, Washington State University
Associate Professor, Human Development

Donald P. Hanley
PhD, University of Idaho
Extension Specialist E-4, Department of Natural Resource Sciences

Steve C. Harbell
MS, University of Washington
Extension County Director E-4, Washington State University County Extension

James F. Harbertson
PhD., University of California at Davis

Extension Specialist E-2, Food Science IAREC
Assistant Professor, Food Science IAREC

Linda H. Hardesty
PhD, Utah State University
Associate Professor, Department of Natural Resource Sciences
Associate Scientist, Department of Natural Resource Sciences
Extension Specialist E-3, Department of Natural Resource Sciences

Joseph W. Harding
PhD, University of Delaware
Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

Laurilyn J. Harris
PhD, University of Iowa
Department Chair, Department of Theatre and Dance
Professor, Department of Theatre and Dance

John Harrison
PhD, Stanford University
Assistant Professor, School of Earth and Environmental Sciences
Extension Specialist E-4, Animal Sciences

James B. Harsh
Ph.D., University of California, Berkeley
Scientist, Crop and Soil Sciences
Professor, Crop and Soil Sciences

Cynthia A. Haseltine
PhD, University of Nebraska - Lincoln
Assistant Professor, School of Molecular Biosciences

Arash Hatefi
Assistant Professor, Pharmaceutical Sciences

Doreen Hauser-Lindstrom
MS, University of Arizona
Extension County Director E-4, Washington State University County Extension

Vincent Hebert
PhD, University of Nevada
Associate Scientist, Food and Environmental Quality Laboratory
Extension Specialist E-3, Food and Environmental Quality Laboratory

Michael Heideman
MS, University of Wisconsin, La Crosse
Assistant Basketball Coach, Intercollegiate Athletics
Associate Professor, Women's Studies Department
Graduate Faculty, American Studies Program

Mark D. Heitstuman
MS, Washington State University
Extension County Director E-2, Washington State University County Extension

Desiree E. Hellegers
PhD, University of Washington
Associate Professor, Washington State University - Vancouver

Tamara Diane Helm
Instructor, Fine Arts
Instructor, Food Science and Human Nutrition

Gregory L. Helms
PhD, University of Hawaii at Manoa
Scientist, Chemistry

Stephen Henderson
Assistant Professor, Environmental Science and Regional Planning Program

William G. Hendrix
PhD, University of Massachusetts
Professor, Horticulture and Landscape Architecture
Scientist, Horticulture and Landscape Architecture

William F. Hendrix
MS, Washington State University
County Extension Educator E-3, Washington State University County Extension

Beatrice N. Henriouille
BA, Washington State University
Instructor, Foreign Languages and Cultures

Deuk Hyoun Heo
PhD, Georgia Institute of Technology
Assistant Professor, School of Electrical Engineering and Computer Science

Lynn Patrice Cross Hermanson
Advisor Counselor, Distance Degree Programs

Traci J. Hess
PhD, Virginia Tech
Assistant Professor, Management Information Systems

Barry S. Hewlett
PhD, University of California, Santa Barbara
Professor, Washington State University - Vancouver

Kimberly Hiatt
MS, University of Portland
Student Affairs Officer 1, Washington State University - Vancouver

Jennifer Lynn Gabriel
Instructor, College of Nursing

Zana R. Higgs
EdD, Columbia University
Professor, College of Nursing

Crag A. Hill
PhD, University of Idaho
Assistant Professor, English

Herbert H. Hill, Jr.
PhD, Dalhousie University - Halifax, Nova Scotia
Professor, Chemistry

Janet H. Hiller
PhD, Gonzaga University
Extension Specialist E-4, Human Development
Associate Scientist, Horticulture and Landscape Architecture

Elizabeth Blanks Hindman
PhD, University of Minnesota
Associate Professor, Edward R. Murrow College of Communication

Melissa T. Hines
PhD, University of Florida
DVM, Ohio State University
Associate Professor, Veterinary Clinical Sciences

Stephen A. Hines
PhD, University of Florida
DVM, Ohio State University
Professor, Veterinary Microbiology and Pathology
Berger Keatts Distinguished Professor, WSU College of Veterinary Medicine

Curtis Hinman
MS, Yale University
County Extension Educator E-3, Washington State University County Extension
Professor, School of Economic Sciences

John M. Hinson
PhD, Duke University
Professor and Chair, Psychology
Professor Chair, Psychology

Kerry W. Hipps
PhD, Washington State University
Chairman and Professor, Materials Science Program

Anne M. Hirsch
DNS, University of Indiana
Associate Dean, College of Nursing

Paul F. Hirzel
M Arch, Cornell University
Associate Professor, School of Architecture & Construction Management

Renee C. Hoeksel
PhD, Oregon Health Sciences University
Professor, Washington State University - Vancouver

Daniel M. Holbrook
PhD, University of Iowa
Associate Professor, Philosophy

Lawrence Holder
Professor, School of Electrical Engineering and Computer Science
Professor, School of Economic Sciences

Carrie E. Holliday
Instructor, College of Nursing

Linda Holloway
EdD, University of San Francisco
Clinical Assistant Professor, Department of Teaching and Learning

Michael Holroyd
MS, California State University
Extension County Director E-3, Washington State University County Extension

James R. Holt
PhD, Texas A&M University
Associate Professor, Engineering & Technology Management

Jack Chandler Horne
Program Developer, College of Education

John A. Horstkamp
MD, University of California, Los Angeles
Physician, Health and Wellness Services

Howard L. Hosick
PhD, University of California, Berkeley
Professor Emeritus, School of Biological Sciences

Md. Akram Hossain
PhD, Washington State University
Associate Professor, Washington State University - Tri-Cities

James Lewis Howard
PhD, University of Oregon
Clinical Associate Professor, Educational Leadership and Counseling Psychology

Suzan Hsu
MS, University of Wisconsin
County Extension Educator E-3, Washington State University County Extension

Scott Hudson
PhD, California Institute of Technology
Professor, School of Electrical Engineering and Computer Science

Dionetta Hudzinski
Instructor, College of Nursing
Professor, School of Economic Sciences

Larry Don Hufford
PhD, University of California, Berkeley
Professor, School of Biological Sciences
Instructor, Department of Statistics

Scot Howard Hulbert
Scientist, Plant Pathology
Professor, Crop and Soil Sciences

Rita L. Hummel
PhD, University of Minnesota
Associate Scientist, WSU Puyallup Research and Extension Center
Associate Professor, WSU Puyallup Research and Extension Center

Christopher Hundhausen
PhD, University of Oregon
Assistant Professor, School of Electrical Engineering and Computer Science

Patricia Ann Hunt
PhD, University of Hawaii
Professor, School of Molecular Biosciences

James K. Hurst
PhD, Stanford University
Professor, Chemistry

David V. Hutton
PhD, Virginia Polytechnic Institute & State University
Professor, School of Mechanical and Materials Engineering

Seon Kap Hwang
PhD, Kyungpook National University, Korea
Research Associate, Institute of Biological Chemistry

David C. Hyatt
PhD, University of Arizona
Research Associate, Institute of Biological Chemistry
Research Associate, Mathematics

I

Jason L. Iltz
Pharm.D., Washington State University
B.Pharm., Washington State University
Clinical Associate Professor, College of Pharmacy, Department of Pharmacotherapy/Spokane

Frederick S. Inaba
PhD, University of California, Berkeley
Associate Professor, School of Economic Sciences

Birgitta M. Ingemanson
PhD, Princeton University

Professor, Foreign Languages and Cultures

Ella R. Inglebret
PhD, Washington State University
Assistant Professor, Speech and Hearing Sciences

Susan Ingram-Osborn
Assistant Professor, Washington State University - Vancouver

Rafik Y. Itani
PhD, Virginia Polytechnic Institute & State University
Professor, Civil and Environmental Engineering

Suresh P Iyer
PhD, University of Idaho
Assistant Research Professor, Horticulture and Landscape Architecture

J

Christine B. Jackson
BA, Central Washington University
Extension County Director E-3, Washington State University County Extension

Henry G. Jackson
Ph.D., University of Washington
Assistant Professor, Department of Teaching and Learning

Pete W. Jacoby, Jr.
PhD, University of Wyoming
Associate Dean, College of Agricultural, Human, and Natural Resource Sciences
Professor, Department of Statistics

David G. James
PhD, Macquarie University, Sydney
Associate Scientist, WSU-Prosser Irrigated Agriculture Research And Extension Ctr
Extension Specialist E-3, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Larry James
PhD, University of Minnesota
Associate Executive Vice President, Office of the Provost

E. Lincoln James
PhD, University of Texas, Austin
Professor, Edward R. Murrow College of Communication

Alton L. Jamison
PhD, University of Arizona, Tucson
Clinical Associate Professor, Educational Leadership and Counseling Psychology

Heiko T. Jansen
PhD, University of Illinois
Associate Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology (VCAPP)

Heidi J. Jarvis
Instructor, School of Music and Theatre Arts

Sankar Jayaram
PhD, Virginia Polytechnic Institute & State University
Professor, School of Mechanical and Materials Engineering

Karen J. L. Jennings
MA, Portland State University and Temple University
ESL/SLP,
Instructor, International Programs Intensive American Language Center

Leonard M. Jessup
PhD, University of Arizona
Professor College of Business & Econ, Department of Information Systems

Long Jiang
Research Associate, Wood Materials and Engineering Lab
Assistant Scientist, Animal Sciences

Wayne H. Joerding
PhD, Northwestern University
Professor, School of Economic Sciences

Carol A. Johns
MSN, University of Maryland
Instructor, College of Nursing

Dennis A. Johnson
PhD, University of Minnesota
Extension Specialist E-4, Plant Pathology
Professor, Plant Pathology
Scientist Inst/res, Plant Pathology

Emily C. Johnson
PhD, University of New Mexico
Associate Professor, Exercise Physiology & Metabolism, Washington State University Spokane

Heather Catherine Johnson
Clinical Assistant Professor, Intl Marketing Program for Agricultural Commodity and Trade

Jean L. Johnson
PhD, University of Nebraska
Professor, Marketing

Jeanne M. Johnson
PhD, Southern Illinois University
MA, Western Washington University
Associate Professor, Speech and Hearing Sciences

Jon D. Johnson
PhD, Oregon State University
Associate Scientist, WSU Puyallup Research and Extension Center

Scientist, Animal Sciences

Linda N. Johnson
MA, Iowa State University
Assistant Director of Interior Design, Interior Design
Clinical Associate Professor, Interior Design

Patrick D. Johnson
Instructor, English

Sally Jo Johnston
MS, Portland State University
Instructor, Speech and Hearing Sciences
Professor, Crop and Soil Sciences

Jeffrey Joireman
PhD, University of Delaware
Associate Professor, Marketing

Slade Joseph Jokela
PhD, Washington State University
Research Associate, Department of Physics and Astronomy

Elaine L. Jones
Instructor, Department of Teaching and Learning

John Glendon Jones
PhD, Texas A&M University
Assistant Professor, Anthropology

Stephen S. Jones
Ph.D., University of California, Davis
Scientist, Crop and Soil Sciences
Professor, Crop and Soil Sciences

Vincent Jones
PhD, University of California-Riverside
Scientist, WSU-Wenatchee Tree Fruit Research and Extension Center

Kreg Gosta Jonson
Associate In, Washington State University - Vancouver
Instructor, General Education

Kshiti Joshi
Associate Professor, Management Information Systems

Sook Jung
PhD, Clemson University
Assistant Research Professor, Horticulture and Landscape Architecture
Chair and Scientist, Department of Community and Rural Sociology
Professor Chair (annual), Department of Community and Rural Sociology

K

Cynthia S. Kaag
PhD, Washington State University
Librarian 4, WSU Libraries

Michael L. Kahn
PhD, Stanford University
Scientist, Molecular Biosciences - Abelson Hall
Professor, Molecular Biosciences - Abelson Hall

Steven D. Kale
PhD, University of Wisconsin
Professor, History

Michael Kallaher
PhD, Syracuse University
Professor, Mathematics

Anantharaman Kalyanaraman
Assistant Professor, School of Electrical Engineering and Computer Science

Dong-Hyun Kang
PhD, Kansas State University
Extension Specialist E-3, Food Science
Associate Scientist, Food Science

Louise Kaplan
PhD, Brandeis University
Assistant Professor, Washington State University - Vancouver

Suzan Kardong-Edgren
Assistant Professor, College of Nursing

Janet Ruth Katz
PhD, Gonzaga University
RN, Washington State University
Assistant Professor, College of Nursing

Jolie Kaytes
MLA, University of Oregon
Associate Professor, Horticulture and Landscape Architecture

Katherine M. Keane
M Arch, University of Wisconsin
Associate Professor, School of Architecture & Construction Management

Markus Keller
Associate Scientist, WSU-Prosser Irrigated Agriculture Research and Extension Center

Brenda Dee Kelly
PharmD, University of Wyoming
Clinical Assistant Professor, Pharmacotherapy/Spokane

Clinical Assistant Professor, Yakima Valley Memorial Hospital

Roberta Kelly

MS, Washington State University

Asst. Dean for UG. Studies, Clinical Associate Professor, Edward R. Murrow College of Communication

Assistant Professor, School of Biological Sciences

Janet Ross Kendall

PhD, University of Iowa

Director, Academic Programs & Client Services, Extended University Services

Caroline A. Kennedy

Extension County Director E-2, Washington State University County Extension

James J. Kennedy

PhD, University of California, Berkeley

Associate Professor, Dept. of Health Policy & Administration

Susan R. Kerr

PhD, Kansas State University

DVM, Cornell University

Extension County Director E-3, Washington State University County Extension

Alexander Khapalov

PhD, Russian Academy of Sciences

Professor, Mathematics

John Kicza

PhD, University of California Los Angeles

Professor, History

Kimberlee K. Kidwell

Ph.D., University of Wisconsin, Madison

Scientist, Crop and Soil Sciences

Professor, Crop and Soil Sciences

Lee Anne Kifer

MSN, Gonzaga University

Instructor, College of Nursing

Assistant Professor, General Education

Karen Killinger Mann

PhD, Texas Tech University

Extension Specialist E-2, Food Science

Eung Soo. Kim

Research Associate, Office of Grant and Research Development

Kwan H. Kim

PhD, Princeton University

Professor, Molecular Biosciences - Abelson Hall

Ronald L. Kincaid

PhD, University of Georgia

Scientist, Animal Sciences
Professor, Animal Sciences

Terese King
MA, Washington State University
Director, New Student Programs

Marianne Kinkel
PhD, University of Texas at Austin
Assistant Professor, Fine Arts

Kenji Kitatani
Ph.D., University of Wisconsin-Madison
Les Smith Distinguished Professor, Edward R. Murrow College of Communication

Marvin D. Kleene
PhD, University of Minnesota
Associate Professor, Crop and Soil Sciences

Randall R. Kleinhesselink
PhD, University of Iowa
Associate Professor, Psychology
Professor, Crop and Soil Sciences

Julie Kmec
PhD, University of Pennsylvania
Assistant Professor, Sociology
Associate Professor, School of Biological Sciences

Lisa Knowles
PhD, Michigan State University
Assistant Research Professor, Horticulture and Landscape Architecture

Judy Knuth
Instructor, Washington State University Spokane, Program in Health Sciences

Tracey A. Koch
Instructor, College of Nursing

Richard T. Koenig
Ph.D., Washington State University
Extension Specialist E-3, Crop and Soil Sciences
Associate Scientist, Crop and Soil Sciences

Teresa C. Koenig
PhD, Clemson University
Assistant Professor, Crop and Soil Sciences
Assistant Professor, Horticulture and Landscape Architecture

David W. Koh
Assistant Professor, Pharmaceutical Sciences

Hans Kok
Ph.D., University of Idaho

Extension Specialist E-2, Crop and Soil Sciences

Michael E. Konkel
PhD, University of Arizona
Associate Professor, Molecular Biosciences-Abelson Hall

David M. Kramer
PhD., University of Illinois, Urbana-Champaign
Professor, Scientist, Institute of Biological Chemistry

Robert J. Krikac
MS, Arizona State University
Associate Professor, Interior Design

Claudia J. Kroll
Instructor, College of Nursing

Elizabeth A. Krueger
PhD, University of Wisconsin
Professor Emeritus, Edward R. Murrow College of Communication

Stephen Kucer
Associate Professor, Department of Teaching and Learning

Kristine M. Kuhn
PhD, University of Illinois, Urbana-Champaign
Associate Professor, Management & Operations
Clinical Assistant Professor, Horticulture and Landscape Architecture

Alex Kuo
MFA, Iowa
Professor and Writer-in-Residence, English

Eugene M. Kupferman
PhD, Washington State University
Extension Specialist E-4, WSU-Wenatchee Tree Fruit Research and Extension Center

Janice Marie Kusch
Ph.D., Washington State University
Director Psychology Clinic, Department of Psychology
Professor, Materials Science Program

Mark Kuzyk
PhD, University of Pennsylvania
Regents Professor, Physics

Patricia Kuzyk
PhD, Temple University
Assistant Professor, School of Economic Sciences

Yoo Jin Kwon
PhD, Iowa State University
Assistant Professor, Apparel, Merchandising, Design and Textiles

Brandon Paul Kyriss
Associate In, School of Biological Sciences

L

Marie-Pierre Laborie
PhD, Virginia Polytechnic Institute & State University
Assistant Professor, Civil and Environmental Engineering
Assistant Professor, Wood Materials and Engineering Lab

E. Ray Ladd
Associate Professor, Engineering Management

Armando Laguardia
EdD, Portland State University
Associate Professor, Washington State University - Vancouver
Assistant Professor, School for Global Animal Health

Sunshine Maria Lahmers
Clinical Assistant Professor, Veterinary and Comparative Anatomy Pharmacology and Physiol

Stephen Lakatos
PhD, Stanford University
Associate Professor, Washington State University - Vancouver

Janet Kiser Lambarth
PhD, Gonzaga University
Extension County Director E-4, Washington State University County Extension
Clinical Assistant Professor, WWAMI Medical Education Program WSU Spokane

Charles R. (Dick) Lang
Ph.D., California Institute of Technology
Associate Professor, WSU Vancouver School of ENCS

Bernd M. Lange
PhD, Ludwig-Maximilians-Universitat, Munchen, Germany
Assistant Scientist, Institute of Biological Chemistry

Stephen C. Langford
Ph. D., Washington State University
Research Associate, Department of Physics and Astronomy

Mary Sanchez Lanier
PhD University New Mexico School of Medicine
Instructor, Molecular Biosciences
Associate Dean College of Sciences

Jane D. Lanigan
PhD, Texas Woman's University
Extension Specialist E-2, Human Development
Assistant Professor, Human Development

Sergey Lapin
Assistant Professor, Mathematics

Peter B. Larson
PhD, California Institute of Technology
Professor, School of Earth and Environmental Sciences

Dhrubojoyti Dey Laskar
PhD, Regional Research Laboratory, India
Research Associate, Institute of Biological Chemistry

Claire K. Latham
PhD, Georgia State University
Associate Professor, Washington State University - Vancouver

Richard G. Law
PhD, Washington University, St. Louis
Director, General Education
Professor, General Education

Jennifer E. Leach
MACE, Washington State University
Extension County Director E-3, Washington State University County Extension

Charles W. Leathers
PhD, Wake Forest University
DVM, Kansas State University
Professor, Veterinary Microbiology and Pathology
Associate Director, Washington Animal Disease Diagnostic Laboratory

Debbie J. Lee
PhD, University of Arizona
Professor, English

Moon J. Lee
Ph.D., University of Florida
Associate Professor, Edward R. Murrow College of Communication

Raymond W. Lee
PhD, University of California at Santa Barbara
Associate Professor, School of Biological Sciences

Maria Lee-Lopez
Instructor, Washington State University - Vancouver

Gretalyn Leibnitz
PhD, Washington State University
Student Affairs Officer 3, Health and Wellness Services
Professor, Animal Sciences

Lance T. Leloup
PhD, The Ohio State University
Edward R. Meyer Professor, International Programs

David Leonard
PhD, University of California, Berkeley
Associate Professor, Comparative Ethnic Studies

Jeremy J. Lessmann
Ph D, Penn State
Instructor, Chemistry

Lynn T. Levy
MA, University of Idaho
Clinical Assistant Professor, English

Karen M. Lewis
MS, University of Arizona
Area Extension Educator E-3, Washington State University County Extension

Haijun Li
PhD, University of Arizona
Professor, Department of Mathematics

Bin Liang
Research Associate, Institute of Biological Chemistry
Professor, Institute of Biological Chemistry²

KNona C. Liddell
PhD, Iowa State University
Professor, Chemical Engineering

David Lin
PhD, Northwestern University
Associate Professor, Bioengineering

Elizabeth B. Lindsay
MA, Indiana University
MLS, Indiana University
Assistant Dean, Pblc Svc/Outreach (Librarian 3), WSU Libraries

James Hilmer Lindstrom
MPA, Montana State University
Extension Specialist E-4, Washington State University Extension

Arthur Clark Linton
PhD, Colorado State University
Director and Professor, WSU-Prosser Irrigated Agriculture Research and Extension Center

William David Lipe
Ph.D., Yale University
Professor Emeritus, Anthropology

Kun Liu
Ph.D., University of Utah, Salt Lake
Assistant Professor, Management & Operations

Sheen Xin Liu

Assistant Professor, Finance Insurance & Real Estate

Lucila Loera
EdM, Washington State University
Student Affairs Officer 1, Career Services

Virginia I. Lohr
PhD, University of Tennessee
Professor, Horticulture and Landscape Architecture
Scientist, Horticulture and Landscape Architecture

Carolyn N. Long
PhD, Rutgers University
Associate Professor, Public Affairs, Washington State University - Vancouver

Nicholas P. Lovrich, Jr.
PhD, University of California, Los Angeles
CO Johnson Distinguished Professor, Dept. of Political Science and Criminal Justice
Director, Division of Governmental Studies & Services
Extension Specialist (Local Government), E-4, Washington State University Extension

Christine Marie Ludwig
EdM, Washington State University
Instructor, Washington State University - Vancouver

Carmen R. Lugo-Lugo
PhD, Washington State University
Associate Professor, Comparative Ethnic Studies
Scientist, Crop and Soil Sciences
Extension Specialist E-4, Crop and Soil Sciences

Naomi L. Lungstrom
Instructor, College of Nursing

Karen D. Lupo
PhD, University of Utah
Associate Professor, Anthropology

Faith E. Lutze
PhD, Pennsylvania State University
Associate Professor, Political Science and Criminal Justice

Jessica W. Lynch Alfaro
PhD, University of Wisconsin-Madison
Assistant Professor, Anthropology

M

Linda Mabry
PhD, University of Illinois, Urbana-Champaign
Associate Professor, Washington State University - Vancouver

Richard N. Mack
PhD, Washington State University
Professor, School of Biological Sciences

Alair MacLean
PhD, University of Wisconsin - Madison
Assistant Professor, Sociology
Chair, Pharmacotherapy/Spokane

Charles L. Madison
PhD, Ohio University
Professor, Speech and Hearing Sciences

Nancy S. Magnuson
PhD, Washington State University
Professor, Molecular Biosciences - Abelson Hall

Daniel T. Maher
BA, Washington State University
Coordinator for Student & Org. Development, Campus Involvement

Doreen Main
PhD, University of Strathclyde
Associate Scientist, Horticulture and Landscape Architecture
Associate Professor, Horticulture and Landscape Architecture

Patricia Mainella
PhD, Gonzaga University
Clinical Assistant Professor, Department of Teaching and Learning

Angela Q. Maldonado
Clinical Assistant Professor, Pharmacotherapy/Spokane

Bidisha Mandal
PhD, The Ohio State University
Assistant Professor, School of Economic Sciences
Extension Specialist E-2, School of Economic Sciences

Candiyā Mann
Research Associate, Social and Economic Sciences Research Center

Mark C. Mansperger
Clinical Assistant Professor, Anthropology

Corinne Mantle-Bromley
PhD, University of Idaho
Professor and Chair, Department of Teaching and Learning

Eric Mapes
PhD, Washington State University
Instructor, Mathematics

Jason M. Margolis
PhD, University of Michigan

Assistant Professor, Washington State University - Vancouver

Matthew T. Marino
Ph.D., University of Connecticut
Assistant Professor, Department of Teaching and Learning

Debra S. Marple
MIA, School for International Training
County Extension Educator E-3, Washington State University County Extension
Associate Scientist, School of Economic Sciences

Bethany Marshall
Instructor, School of Biological Sciences

Charlene Elaine Martin
Instructor, College of Nursing

Everett L. Martin
PhD, Oklahoma State University
Professor, Animal Sciences

Linda G. Martin
MS, Colorado State University
DVM, Colorado State University
Assistant Professor, Veterinary Clinical Sciences

Andrea Clark Mason
MFA, University of Idaho
Instructor, English

Ioannis Mastorakos
Research Associate, School of Mechanical and Materials Engineering
Clinical Assistant Professor, Pharmacotherapy/Spokane

Donald S. Matteson
PhD, University of Illinois
Professor, Chemistry

Dennis Scott Mattinson
MS, University of Idaho
Associate In, Horticulture and Landscape Architecture
Associate Professor, Horticulture and Landscape Architecture

John S. Mattoon
BS, Oregon State University
DVM, Washington State University, Oregon State University
Associate Professor, Veterinary Clinical Sciences

Robert N. Matuozzi
MA, Ohio State University
MS, University of Illinois at Urbana-Champaign
Librarian 3, WSU Libraries

Christopher Mau
PhD, University of California Los Angeles
Assistant Research Professor, Institute of Biological Chemistry

Marie Ellen Mayes
MBA, Washington State University
Assistant Clinical Professor, Marketing
County Extension Educator E-4, Washington State University County Extension

Amy G. Mazur
PhD, New York University
Professor, Political Science

Zachary Adam Mazur
Instructor, Fine Arts

Ursula Mazur
PhD, University of Michigan
Professor, Chemistry

Norah R. McCabe
PhD, Open University, Milton Keynes, England
Clinical Assistant Professor, Molecular Biosciences- Heald Hall 523
Clinical Assistant Professor, Molecular Biosciences-Abelson Hall

Keri E. McCarthy
DM, Indiana University
Assistant Professor, School of Music and Theatre Arts

Jill J. McCluskey
PhD, University of California - Berkeley
Professor & Scientist, School of Economic Sciences

Matthew D. McCluskey
PhD, University of California, Berkeley
Professor, Department of Physics and Astronomy

Anne R. McCoy
BS, University of Massachusetts - Amherst
Senior Associate Director of Athletics, Intercollegiate Athletics
Graduate Coordinator, Interior Design

Vicki A. McCracken
PhD, Purdue University
Professor, School of Economic Sciences

Laurie Dawn McCubbin
PhD, University of Wisconsin - Madison
Assistant Professor, Educational Leadership and Counseling Psychology

Robert H. McDaniel
PhD, Washington State University
Associate Dean, Washington State University Extension

Terry F. McElwain
PhD, Washington State University
DVM, Kansas State University
Professor, Veterinary Microbiology and Pathology

Susan Eileen McFadden
Instructor, College of Nursing

Andrew McGuire
Area Extension Educator E-3, Washington State University County Extension

Michelle K. McGuire
PhD, Cornell University
Associate Professor, Food Science and Human Nutrition

Jeanne Louise McHale
PhD, University of Utah
Professor, Chemistry

Nancy P. McKee
PhD, Washington State University
Associate Professor, Anthropology

David I. McLean
PhD, Cornell University
Professor and Chair, Civil and Environmental Engineering
Assistant Professor, Animal Sciences

Donald W. McMoran
County Extension Educator E-2, Washington State University County Extension

John P. McNamara
PhD, University of Georgia
Professor, Animal Sciences
Scientist, Animal Sciences

Michael J. McNamara
PhD, University of Nebraska
Associate Professor, Finance Insurance & Real Estate

John B. McQueen
Instructor, Washington State University - Spokane

Frances K. McSweeney
PhD, Harvard
Vice Provost, Provost and Executive Vice President

Gary Meadows
PhD, University of Washington
Dorothy O. Kennedy Distinguished Professor of Pharmaceutical Sciences

Katrina A. Mealey
PhD, Texas A & M University
DVM, Colorado State University

Associate Professor, Veterinary Clinical Sciences

Muralidhar Medidi

PhD, University of Central Florida

Associate Professor, School of Electrical Engineering and Computer Science

Courtney L. Meehan

PhD, Washington State University

Assistant Professor, Anthropology

G. Patrick Meier

PhD, University of Wisconsin-Madison

Associate Professor, Chemistry

Director, Program in Health Sciences

Kathryn Meier

PhD, University of Wisconsin Madison

Professor, Pharmaceutical Sciences

Peter Conklin Meighan

Associate In Teaching, School of Biological Sciences

Clinical Assistant Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiol

Starla Elizabeth Meighan

Clinical Assistant Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiol

Carol Ann Melin

Instructor, College of Nursing

David A. Menchaca

PhD, University of Arizona

Assistant Professor, English

Amy Meredith

Assistant Professor, Speech and Hearing Sciences

Alex Merrill

MLS, University of Arizona

Digital Initiatives Libr/Assistant Professor, WSU Libraries

Systems/Operations Manager, WSU Libraries

Carolyn Merva Robblee

B.M., St. Olaf College

Instructor, School of Music

Claire Metelits

PhD, Northwestern University

Assistant Professor, Political Science

Judith L. Meuth

MS, Texas A&M University

Clinical Associate Professor, Women's Studies Department

Graduate Faculty, American Studies Program

Judy L. Meyers
Senior Instructor, College of Nursing

Matthew Stephen Mickas
DVM, Washinton State University
Clinical Assistant Professor, Veterinary Clinical Sciences

Ingrid Mifflin
MLS, University of California, Berkeley
Librarian 3, WSU Libraries

Galina Mikhaylenko
Associate In, Biological Systems Engineering
Area Extension Educator E-3, WSU Vancouver Research and Extension Unit

Darcy E. Miller
PhD, University of Wisconsin, Madison
Professor, Department of Teaching and Learning

Julie Ann Miller
M.Ed, College of Idaho
Student Affairs Officer 1, Washington State University - Vancouver

Linda L. Miller
MEd, Washington State University
Student Affairs Officer 2, Washington State University - Tri-Cities

Reid C. Miller
PhD, University of California, Berkeley
Professor, Chemical Engineering

Timothy W. Miller
PhD, University of Idaho
Extension Specialist E-3, WSU-Mount Vernon NWREC
Associate Scientist, WSU-Mount Vernon NWREC

Eric D. Miltner
PhD, Michigan State University
Associate Research Agronomist, Turfgrass, Crop and Soil Sciences

Val D. Miskin
PhD, Washington State University
Clinical Professor, Management & Operations

Marshall Mitchell
MDiv, Midwestern Baptist Theological Seminary
BA, University of Montevallo
Clinical Assistant Professor, Speech and Hearing Sciences
Coordinator of Disability Studies, Speech and Hearing Sciences

R. C. Mittelhammer
PhD, Washington State University
Director/Regents Professor, School of Economic Sciences

Taiji Miyasaka
MS, Columbia University
Assistant Professor, School of Architecture & Construction Management

Sarah Mocas
Instructor, Washington State University Vancouver, School of Engineering & Computer Sci

Stacia B. Moffett
PhD, University of Miami
Associate Professor, School of Biological Sciences

Daniela Monk
PhD, Indiana University, Bloomington IN
Assistant Research Professor, School of Biological Sciences

Barry C. Moore
PhD, Washington State University
Associate Professor, Department of Natural Resource Sciences

Clifford Carl Moore
MA, University of San Francisco, San Francisco, California
Extension County Director E-2, Washington State University County Extension
Extension Specialist E-4, Veterinary Clinical Sciences

Danna Lee Moore
Assistant Director, Social and Economic Sciences Research Center

Patrick P. Moore
PhD, Michigan State University
Scientist, WSU Puyallup Research and Extension Center

Phillip Eugene Morgan
PhD, Washington State University
Clinical Assistant Professor, Department of Teaching and Learning

Phyllis J. Morris
Instructor, College of Nursing

Judith Anne Morrison
PhD, Oregon State University
Assistant Professor, Science Education, Department of Teaching and Learning

Clayton J. Mosher
PhD, University of Toronto
Associate Professor, Washington State University - Vancouver

Jeffrey Paul Moss
Instructor, International Programs Intensive American Language Center

George H. Mount
PhD, University of Colorado
Professor, Civil and Environmental Engineering

Kimberlyn Mueller
Student Affairs Officer 1, Summer Session

Balasingam Muhunthan
PhD, Purdue University
Professor, Civil and Environmental Engineering

Gerhard R. Munske
PhD, Washington State University
Project Associate, School of Molecular Biosciences - Fulmer

Janet W. Murai
Instructor, International Programs Intensive American Language Center

Timothy D. Murray
PhD, Washington State University
Professor and Chair, Plant Pathology

Todd Aaron Murray
MSc, Washington State University
County Extension Educator E-2, Washington State University County Extension

Michael P. Myers
Masters, Eastern Washington University
LMHC, DDP,
Clinical Associate, The Washington Institute for Mental Health Research and Training

N

Ken Nash
PhD, Florida State University
Professor, Chemistry

Vilma C. Navarro-Daniels
Ph.D., University of Connecticut
Associate Professor, Foreign Languages and Cultures

Pius M. Ndegwa
PhD, University of Georgia
Assistant Scientist & Extension Specialist E-2, Biological Systems Engineering
Assistant Scientist, Crop and Soil Sciences

Holly Louise Neibergs
Assistant Professor, Animal Sciences
Assistant Scientist, Animal Sciences

Joseph Shannon Neibergs
Associate Professor, Animal Sciences
Extension Specialist E-3, Washington State University County Extension

Debra Lynn Nelson
PhD, Washington State University

Instructor, Human Development

Jeffrey Todd Nelson
MA-TESL, University of Idaho
Educational Technology Coordinator, Intensive American Language Center

Mark L. Nelson
PhD, University of Nebraska
Associate Professor, Animal Sciences
Associate Scientist, Animal Sciences

O. Lynne Nelson
MS, Iowa State University
DVM, Auburn University
Associate Professor, Veterinary Clinical Sciences

Richard Allen Nelson
Instructor, School of Economic Sciences-Hulbert

Tamara Nelson
PhD, University of Washington
Assistant Professor, Washington State University - Vancouver

Ruth Catriona Newberry
PhD, University of Edinburgh, UK
Associate Professor, Animal Sciences
Associate Professor, Veterinary & Comparative Anatomy, Pharmacology & Physiology

Jonathan R. Newkirk
PhD, Washington State University
County Extension Educator E-4, Washington State University County Extension

Dina Ng
PhD, Oregon State University
Assistant Professor, Mathematics

Cassandra N. Nichols
PhD, Ball State University
Student Affairs Officer 2, Counseling Services

Diane M. Norell
MSW, Eastern Washington University
Research Associate, Washington Institute for Mental Illness Research & Training, WSU Spokane

M. Grant Norton
Associate Dean & Professor, College of Engineering and Architecture

Jabulani Nyathi
Assistant Professor, School of Electrical Engineering and Computer Science

O

Christine Kay Oakley
PhD, Washington State University
MPH, University of California, Los Angeles
Clinical Assistant Professor, Sociology

Muriel K. Oaks
PhD, Washington State University
Vice President, Vice President University Relations

Mark Robert O'English
MLIS, University of Washington
Librarian 2, WSU Libraries

Aaron N. Oforlea
PhD, Ohio State University
Assistant Professor, English

Thomas W. Okita
PhD, Scripps Institution of Oceanography - UCSD
Scientist, Institute of Biological Chemistry
Professor, Molecular Plant Sciences

Karl R. Olsen
Instructor, Civil and Environmental Engineering

Jo Clay Olson
Ph.D., Illinois State University
Assistant Professor, Department of Teaching and Learning

Charlotte K. Omoto
PhD, University of Wisconsin
Professor, School of Biological Sciences

Rory J. Ong
PhD, Miami University
Associate Professor, Comparative Ethnic Studies
Affiliate Faculty, Women's Studies Department

Marianne C. Ophardt
MS, Cornell University
Area Extension Educator E-4, Washington State University County Extension

Leonard Orr
PhD, Ohio State University
Professor, Washington State University - Tri-Cities

Marcia Ostrom
PhD, University of Wisconsin - Madison
Masters, Cornell University
Director, Small Farms Program, Washington State University Extension and CSANR
Associate Professor/Scientist, Community and Rural Sociology

Mami Otaka
BS, Washington State University

Research Associate, Veterinary and Comparative Anatomy Pharmacology and Physiol

Yexin Ouyang

Research Associate, Veterinary and Comparative Anatomy, Pharmacology and Physiol

Jeb Owen

Assistant Professor, Entomology

Assistant Scientist, Entomology

Michael S. Owen

M Arch, University of Washington

Associate Professor, School of Architecture & Construction Management

Associate In, Mathematics

P

Martin L. Pall

PhD, California Institute of Technology

Professor of Biochemistry & Basic Medical Sci, School of Molecular Biosciences

Guy H. Palmer

PhD, Washington State University

DVM, Kansas State University

Regents Professor, Veterinary Microbiology and Pathology

Director, School for Global Animal Health

Iolanda Palmer

MFA, University of Arizona at Tucson

Assistant Professor, Fine Arts

Specialist and Department Chair E-4, Crop and Soil Sciences

Professor, Crop and Soil Sciences

Alexander Panchenko

PhD, University of Delaware

Associate Professor, Mathematics

Jaak Panksepp

PhD, University of Massachusetts

Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

Athanassios T. Papagiannakis

PhD, University of Waterloo

Professor, Civil and Environmental Engineering

Associate Scientist, Plant Pathology

Constance Parish

BA, Washington State University

Instructor, Human Development

Forrest W. Parkay

PhD, University of Chicago

Professor, Educational Leadership and Counseling Psychology

Robert Parker, III
PhD, Utah State University
Extension Specialist E-4, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Craig D. Parks
PhD, University of Illinois
Professor, Psychology

Rehana Sultana Parveen
Research Associate, Chemical Engineering
Associate Professor, Statistics

Debra Ann Pastore
Director, College of Education

Edward Pate
PhD, Rensselaer Polytechnic Institute
Professor, Mathematics
Professor, Institute of Biological Chemistry2

Kim D. Patten
PhD, Washington State University
Associate Scientist, WSU Puyallup Research and Extension Center
Extension Specialist E-4, Washington State University County Extension

Robert Patterson
PhD, Vanderbilt University
Professor, Psychology

Mark J. Pavek
PhD, Washington State University
Extension Specialist E-2, Horticulture and Landscape Architecture
Assistant Scientist, Horticulture and Landscape Architecture

Donald Michael Pavel
PhD, Arizona State University
Associate Professor, Educational Leadership and Counseling Psychology

Antoinette M. Pavkovich
MS, St Cloud University
Instructor, Washington State University - Vancouver

John L. Paznokas
PhD, St. Louis University
Associate Professor, School of Biological Sciences
Assistant Dean, Integrated Sciences and Outreach
Director, Science, Mathematics, and Engineering Education Center

Susan Peabody
PhD, University of Iowa
Professor, History
Assistant Scientist, Horticulture and Landscape Architecture

Tobin Peever
PhD, Cornell University
Associate Professor, Plant Pathology
Associate Scientist, Plant Pathology

Catherine Anne Perillo
Ph.D., University of Minnesota
Instructor, Crop and Soil Sciences

Andrew Blaine Perleberg
County Extension Educator E-2, Washington State University County Extension

R. Troy Peters
Extension Specialist E-2, WSU-Prosser Irrigated Agriculture Research And Extension Ctr
Assistant Scientist, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Serena Peters
M.A., Washington State University
Instructor, Women's Studies Department
Associate Professor, Women's Studies Department
Graduate Faculty, American Studies Program

James N. Petersen
PhD, Iowa State University
Battelle Distinguished Professor of Bioprocessing

Renee Petersen
Instructor, Civil and Environmental Engineering

Fredrick E. Peterson
PhD, University of Utah
Professor, Leadership and Professional Studies

Jeffery C. Peterson
Ph.D., University of New Mexico
Assistant Professor, Edward R. Murrow College of Communication

Kirk A. Peterson
PhD, University of Wisconsin, Madison
Professor, Chemistry

Elina Petrova
Assistant Professor, Marketing

Amelia Sue Phelps
Librarian 2, Washington State University - Vancouver

E Michael. Pieracci
Ph.D, Saybrook Institute
MA, California State University- Dominguez Hills
Clinical Assistant Professor, Psychology

Keith S. Pike
PhD, University of Wyoming

Scientist, WSU-Prosser Irrigated Agriculture Research and Extension Center

Orest Jacob Pilskalns

PhD, Washington State University

Assistant Professor, Washington State University Vancouver, School of Engineering & Computer Science

Gary L. Piper

PhD, University of California, Berkeley

Associate Professor, Entomology

Associate Scientist, Entomology

Extension Specialist E-3, Entomology

Brian Pitcher

PhD, University of Arizona

Chancellor, Washington State University Spokane

Paul E. Pitre

PhD, University of Maryland

Assistant Professor, Educational Leadership and Counseling Psychology

Marvin J. Pitts

PhD, University of Illinois, Urbana

Associate Professor & Associate Scientist, Biological Systems Engineering

Thomas E. Platt

MS, Washington State University

County Extension Educator E-3, Washington State University County Extension

Michael C. Poch

BS, Washington State University

Director, Student Health Pharmacy, Health and Wellness Services

Suzanne Gibbons Polle

MA, Washington State University

Instructor/Coordinator, Foreign Languages and Cultures

Julia Anne Pomerenk

MA, Ohio State University

Director, Registrar

B. W. Poovaiah

PhD, Utah State University

Scientist, Horticulture and Landscape Architecture

Professor, Horticulture and Landscape Architecture

Michael C. Pope

PhD, Virginia Polytechnic Institute & State University

Associate Professor, School of Earth and Environmental Sciences

Noriko Porter

PhD, University of Missouri

Instructor, Human Development

Rebecca Portnoy

Assistant Professor, Management & Operations

Kathleen A. Potter
PhD, Washington State University
DVM, Kansas State University
Associate Professor, Veterinary Microbiology and Pathology

Nancy Potter
PhD, University of Wisconsin-Madison
Assistant Professor, Speech and Hearing Sciences

Karen L. Poulin
PhD, University of Oregon
County Extension Educator E-2, Washington State University County Extension

Thomas Power
Ph.D., University of Illinois
Professor and Chair, Human Development
Chair and Scientist, Human Development
Specialist & Dept Chair E-4, Human Development

Joseph R. Powers
PhD, University of California, Davis
Professor , Scientist, Food Science

Diana Lee Presley
Master's, SIT Boston
TESL/TEFL, SIT Boston
Instructor, International Programs Intensive American Language Center
Graduate Student Recruitment for Environmental, College of Engineering / College of Agriculture, Human & Natural Resource Scien

Thomas Preston
PhD, Ohio State University
Professor, Political Science

Paula Groves Price
PhD, University of North Carolina, Chapel Hill
Associate Professor, Department of Teaching and Learning

Robert M. Pringle, Jr
MLS, University of Washington
Librarian 4, College of Nursing
Librarian 4, WSU Spokane Riverpoint Campus Library

Tahira Probst
PhD, University of Illinois at Urbana-Champaign
Associate Professor, Washington State University - Vancouver

Janet Purath
Assistant Professor, College of Nursing

Kathleen D. Purdy
MA & MBA, Trinity College; U of Hartford

Economic Development Specialist, Small Business Development Center

Q

Robert J. Quinlan
PhD, University of Missouri-Columbia
Assistant Professor, Anthropology

Raymond M. Quock
PhD, University of Washington
Professor, Pharmaceutical Sciences

R

Jeffrey B. Radakovich
MD, Baylor College of Medicine, Houston
Student Affairs Officer 2, Health and Wellness Services

Claude A. Ragle
BS, Michigan State University
DVM, Michigan State University
Associate Professor, Veterinary Clinical Sciences

Linda Rahn
Instructor, College of Nursing

Carol A. Ramsay
MS, Washington State University
Extension Specialist E-3, Entomology

Nandini Ranganathan
Instructor, Washington State University - Vancouver
Scientist, Food Science

Melody Lynn Rasmor
Clinical Assistant Professor, Washington State University - Vancouver

Melissa A. Ratsch
A.A., Spokane Falls Community College
Instructor, Speech and Hearing Sciences

Naidu A. Rayapati
PhD, Sri Venkateswara University
Assistant Professor, Plant Pathology

Joey Reagan
PhD, Michigan State University
Professor, Edward R. Murrow College of Communication

Margaret Reed

Instructor, Women's Studies Department

Richard Reed

PhD, University of Bradford

MBA, University of Bradford

Professor and Huber Chair of Entrepreneurial Stu, Management & Operations

Raymond Reeves

PhD, University of California

Professor, School of Molecular Biosciences

John P. Reganold

PhD, University of California, Davis

Regents Professor of Soil Science, Crop and Soil Sciences

Soil Scientist, Crop and Soil Sciences

Eric Remaley

PhD, Washington State University

Instructor, Mathematics

Dennis Reynolds

PhD, Cornell University

Ivar Haglund Distinguished Professor, School of Hospitality Business Management

Gabriella Natasha Reznowski

BA, University of Manitoba

MLIS, Univeristy of Alberta

Librarian 2, WSU Libraries

Drexel Rhoades

MA, San Diego State University

Specialist 3, Information Department

Cecilia D. Richards

PhD, University of California, Irvine

Professor, School of Mechanical and Materials Engineering

Travis N. Ridout

PhD, University of Wisconsin

Assistant Professor, Political Science

Ekaterini Riga

PhD, Simon Fraser University, Burnaby, BC, Canada

Assistant Professor, Plant Pathology

Kerry Ringer

PhD, Washington State University

Assistant Scientist, Food Science IAREC

Extension Specialist E-2, Food Science IAREC

John A. Ringo

PhD, University of Washington

Director of Program, School of Electrical Engineering and Computer Science

James Rippy
Instructor, Washington State University - Spokane

Peter I. Ritson
Instructor, Washington State University - Vancouver
Instructor, University Writing Program

Robert Ritter
PhD, University of Pennsylvania
VMD, University of Pennsylvania
Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

Sue Ritter
PhD, Bryn Mawr College
Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

Fulvio M. Rivano Gutierrez
Associate In, Biological Systems Engineering

Eric H. Roalson
PhD, Claremont Graduate University
Associate Professor, School of Biological Sciences
Professor, Department of Natural Resource Sciences

Timothy J. Robblee
M.M., Northwestern University
Director of Bands, School of Music
Instructor of Music Education, School of Music

Gregory D. Roberts
MS, Washington State University
DVM, Kansas State University
Clinical Associate Professor, Veterinary Clinical Sciences

Kandy S. Robertson
Associate Professor, Washington State University - Vancouver

W. Neal Robison
MA, Indiana State University
Senior Instructor, Edward R. Murrow School of Communication
Clinical Assistant Professor, Edward R. Murrow School of Communication

John Rodenberg
MA, University of Denver
Business Development Specialist, Small Business Development Center
Assistant Scientist, Animal Sciences

Kathleen Boyce Rodgers
PhD, University of Wisconsin
Associate Professor, Human Development

Marisol Rodriguez-Price
PhD, Pennsylvania State University
Clinical Assistant Professor, Department of Teaching and Learning

Mary F. Roe
PhD, University of Illinois, Champaign-Urbana
Professor, Department of Teaching and Learning

Harmon A. Rogers
DVM, Texas A & M University
Clinical Associate Professor, Veterinary Clinical Sciences
Professor, Plant Pathology

Bridget J. Rohner
County Extension Educator E-1, Washington State University County Extension

Sanja Roje
PhD, Florida State University
Assistant Scientist, Institute of Biological Chemistry

John Michael Roll
PhD, Washington State University
Research Associate & Assistant Director, Washington Institute for Mental Illness Research & Training, WSU
Spokane

Bruce Romanish
EdD, Pennsylvania State University
Associate Dean, Washington State University - Vancouver

Eugene A. Rosa
PhD, Syracuse University
Professor, Sociology

Jerman W. Rose
PhD, University of Kansas
Director, Center for Entrepreneurial Studies

Carolyn F. Ross
PhD, Michigan State University
Assistant Professor, Food Science
Assistant Sensory Scientist, Food Science

Susan D. Ross
PhD, University of Florida
Associate Professor, Edward R. Murrow School of Communication
Founding Director, AccessNorthwest
Associate Dean, College of Liberal Arts

Amy Roth-McDuffie
PhD, University of Maryland
Associate Professor, Department of Teaching and Learning

Sandip Roy
PhD, Massachusetts Institute of Technology
Assistant Professor, School of Electrical Engineering and Computer Science

Fred R. Rurangirwa

PhD, University of Guelph
BVSC, University of East Africa
Associate Professor, Veterinary Microbiology and Pathology

Diane Russo
Area Extension Educator E-2, Washington State University County Extension

Kathleen Anne Ryan
Instructor, Interior Design

S

Francisco Saavedra
MD, School of Medicine, Autonomous University of Nuevo Leon
Fam Med, Mexican Institute of Health
Multicultural Coord/Clinical Assistant Professor, WWAMI Medical Sciences Program

Shyam S. Sablani
PhD, McGill University (Canada)
Assistant Professor & Assistant Scientist, Biological Systems Engineering

Riyaz Sadiq
Instructor, Mathematics

Reza Safavi
MFA, University of Oregon
Assistant Professor, Fine Arts

Thomas Lee Salisbury
PhD, Indiana University, Bloomington
Assistant Professor, Department of Teaching and Learning

Michael Salvador
Ph.D., University of Utah
Associate Professor, Edward R. Murrow College of Communication

Pauline Sameshima
Ph.D., University of British Columbia
Assistant Professor, Department of Teaching and Learning

Debra L. Sanders
PhD, Arizona State University
Professor, Department of Accounting

Nancy M. Sanders
Ph.D., Stanford University
Associate Professor, Educational Leadership and Counseling Psychology

Angela Santamaria
Masters, University of Washington
MLIS, University of Washington

Librarian 2, Energy Program

Suprateek Sarker
PhD, University of Cincinnati
Associate Professor/Interim Director, Information Systems/International Business

Karen Hsiao Savage
DMA, The Juilliard School
Instructor, School of Music and Theatre Arts

Ashish Anant Sawant
Assistant Professor, Veterinary Microbiology and Pathology

Rodney D. Saylor
PhD, University of North Dakota
Associate Professor, Department of Natural Resource Sciences
Associate Scientist, Department of Natural Resource Sciences

Burley Jane Scales
MA, Ohio State University
MLIS, University of Kentucky
Distance Degree Librarian (Librarian 3), WSU Libraries

Maria Kristine Schenk
Instructor, Washington State University - Vancouver

William F. Schillinger
PhD, Oregon State University
Extension Specialist E-4, Crop and Soil Sciences

Janet Schmidt
MACE, Washington State University
Extension County Director E-4, Washington State University County Extension

Winsor C. Schmidt
LLM, University of Virginia
JD, American University
Chair and Professor, Dept. of Health Policy & Administration

Heidi Helena Schmoll
Instructor, College of Nursing

Jill Lenae Schneider
DMA, University of Georgia, Athens
Instructor, School of Music and Theatre Arts

Robert K. Schneider
MS, Ohio State University
DVM, University of California at Davis
Professor, Veterinary Clinical Sciences

H. J. Schoepflin
DMA, North Texas State University
Professor, School of Music and Theatre Arts

Lawrence E. Schrader
PhD, University of Illinois
Scientist, WSU-Wenatchee Tree Fruit Research and Extension Center
Associate Professor, School of Earth and Environmental Science
Affiliate Associate Professor, School of Biological Sciences

Cheryl Schultz
Assistant Professor, Washington State University - Vancouver

Tom R. Schultz
PhD, Washington State University
Extension County Director E-3, Washington State University County Extension

Mark Schumaker
PhD, University of Texas
Associate Professor, Mathematics

Hubertus G. Schwabl
PhD, Ludwig-Maximilian University - Munich, Germany
Professor, School of Biological Sciences

Catrina R. Schwartz
PharmD, University of Washington
Clinical Assistant Professor, Pharmacotherapy - Spokane
Assistant Professor, School of Biological Sciences

Jennifer Schwartz
PhD, The Pennsylvania State University
Assistant Professor, Sociology

David A. Sclar
PhD, University of South Carolina
BPharm, Washington State University
Boeing Distinguished Professor, Health Policy and Administration-Pullman
Director, Pharmacoeconomics & Pharmacoepidemiology Research Unit
Professor of Statistics, Department of Statistics

Shannon Scott
Doctor, Northwestern University
Instructor, School of Music

Louis Scudiero
PhD, Washington State University
Clinical Assistant Professor, Chemistry

Susan Joyce Seaman
EdD, University of Idaho
Ed Admin, University of Idaho
Assistant Professor, Veterinary Clinical Sciences

Joanne Eileen Sellen
Instructor, International Programs Intensive American Language Center
Associate Dean, Graduate School

Rance Sellon
PhD, North Carolina State University
DVM, Texas A & M
Associate Professor, Veterinary Clinical Sciences

Leslie Jo Sena
MA, Washington State University
Instructor, English

Inigo Serna
MA, Washington State University
Instructor, Foreign Languages and Cultures

Billie M. Severtsen
PhD, Gonzaga University
Associate Professor, College of Nursing

Lisa Gail Shaffer
PhD, Medical College of Virginia
Research Professor, Health Research & Education Center, Washington State University Spokane

Nishant Shahani
Assistant Professor, Women's Studies Department

Gene Curtis Sharratt
PhD, Washington State University
Clinical Assistant Professor, Educational Leadership and Counseling Psychology

Eric A. Shelden
PhD, University of Massachusetts-Amherst
Associate Professor, Molecular Biosciences - Abelson Hall

Hongyan Sheng
Associate In, Plant Pathology
Extension Specialist E-4, Entomology

Lauri B. Sherfey
MEd, Eastern Washington University
Area Extension Educator E-3, Washington State University County Extension

Mija Shin
Ph.D., Indiana University-Bloomington
Assistant Professor, Edward R. Murrow College of Communication

Dawn M. Shiness
PhD, The Ohio State University
Associate Professor, Department of Teaching and Learning

Behrooz Shirazi
Director And Professor, School of Electrical Engineering and Computer Science

Pradeep Man Shrestha
Associate In, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Professor, Food Science

Jill Armstrong Shulz
PhD, University of Rhode Island
Professor, Human Nutrition

Terry D. Shultz
PhD, Oregon State University
Scientist, Human Nutrition
Professor, Human Nutrition

C. Richard Shumway
PhD, University of California, Davis
Professor, School of Economic Sciences

Patricia Sias
PhD, University of Texas, Austin
Professor, Edward R. Murrow College of Communication

Richard W. Sias
PhD, University of Texas, Austin
Professor, Finance Insurance & Real Estate
Gary P. Brinson Chair of Investment Management, Finance Insurance & Real Estate

Carol Siegel
PhD, University of California, Berkeley
Professor, English

Moris Silber
Ph.D., Leningrad USSR
M.D., Leningrad USSR
Assistant Research Professor, Department of Natural Resource Sciences

Harry Silverstein
PhD, University of Chicago
Professor, Philosophy

Robert C. Simmons
MS, University of Rhode Island
BS, University of Rochester
Extension County Director E-3, Washington State University Mason County Extension

Brandy Ann Singer
B.Pharm., Oregon State University
Clinical Assistant Professor, Pharmacotherapy - Spokane

William Sischo
Professor, Veterinary Clinical Sciences

Sheri K. Six
Associate In, Veterinary and Comparative Anatomy Pharmacology and Physiol
Professor, Health Policy and Administration-Pullman

David Slavit

PhD, University of Delaware
Associate Professor, Washington State University - Vancouver

Bryan K. Slinker
PhD, Washington State University
DVM, Washington State University
Professor and Dean, College of Veterinary Medicine

Christopher L. Small
Research Coordinator, School of Molecular Biosciences

Michael J. Smerdon
PhD, Oregon State University
Professor, Biochemistry and Biophysics
Professor, School of Molecular Biosciences

Carolyn Smith
MA, University of Idaho
Senior Instructor, Mathematics
Instructor, Department of Foreign Languages and Cultures

Jean Smith
MS, Washington State University
Area Extension Educator E-4, Washington State University County Extension

Paul E. Smith
Assistant Professor, General Education
Instructor, School of Music and Theatre Arts

Sarah Maki Smith
MS, Washington State University
Area Extension Educator E-2, Washington State University County Extension

Timothy J. Smith
MS, Washington State University
Area Extension Educator E-4, Washington State University County Extension
Assistant Scientist, School of Economic Sciences

William Leland Smith
PhD, Washington State University
Instructor, University Honors College

Jeffrey Wayne Snell
Instructor, Department of Teaching and Learning

Suzanne Jean Snowdon
Lecturer, Horticulture and Landscape Architecture

William E. Snyder
PhD, University of Kentucky
Extension Specialist E-3, Entomology
Associate Scientist, Entomology

Christine O. Sodorff
MEd, Washington State University
Director of Resident Instruction, Dept. of Teaching and Learning

Stephen Solovitz
Assistant Professor, Washington State University Vancouver School of Engineering & Computer Sci

David A. Sonnenfeld
PhD, University of California, Santa Cruz
Associate Professor, Department of Community and Rural Sociology

Harold C. Sorensen
PhD, University of Nebraska
Associate Professor, Civil and Environmental Engineering

Erick S. Spencer
Instructor, Veterinary Clinical Sciences

Eric Spangenberg
PhD, University of Washington
Dean and Professor, College of Business

Debra Spidal
MLIS, University of Washington
Librarian 2, WSU Libraries

David E. Sprott
PhD, University of South Carolina
Associate Professor, Marketing

Subramaniam Srikumaran
PhD, University of Maryland
BVSc, University of Sri Lanka
Professor, and Rocky Crate-FNAWS Endowed Chair, Veterinary Microbiology and Pathology

Clarke Duane St. Dennis
Clinical Assistant Professor, Pharmacotherapy - Spokane
Instructor, General Education

Gwen K. Stahnke
PhD, University of Nebraska
Extension Specialist E-3, WSU Puyallup Research and Extension Center

Jay Starratt
MLS, Emory University, Atlanta
Dean of Libraries/Librarian 4, WSU Libraries

Craig Steele
Research Associate, School of Biological Sciences
Assistant Scientist, School of Economic Sciences

Michael M. Steele
Assistant Professor, Psychology

Donald E. Stem, Jr.
PhD, University of Washington
Professor, Marketing

Raymond Craig Stephens
Advisor Counselor, Distance Degree Programs

N. Kay Stern
MA, University of Oregon
Instructor, Washington State University - Vancouver

Robert G. Stevens
PhD, Colorado State University
Director/professor, WSU-Prosser Irrigated Agriculture Research And Extension Ctr

Matt Stichter
PhD, Bowling Green State University
Assistant Professor, Philosophy

Anne M. Stiles
PhD, University of California, Los Angeles
Assistant Professor, English

David E. Stock
PhD, Oregon State University
Professor, School of Mechanical and Materials Engineering

Claudio Stockle
PhD, Washington State University
Professor, Scientist, Extension Spec E-4 & Chair, Biological Systems Engineering

Andrew Storfer
PhD, University of Kentucky
Associate Professor, School of Biological Sciences

David H. Stratton
Professor, History

John Streamas
PhD, Bowling Green State University
Associate Professor, Comparative Ethnic Studies
Affiliate Faculty, Women's Studies Department
Core Faculty, American Studies Program

Heather E. Streets
PhD, Duke University
Associate Professor, History

Anne D. Strobe
MSW, State University of New York at Albany
Research Associate, Washington State University - Spokane

Noël Sturgeon

PhD, University of California, Santa Cruz
Professor, Women's Studies Department
Graduate Faculty, American Studies Program

Patricia Ann Sturko
Associate Dean, Graduate School

Raymond C. Sun
PhD, The John Hopkins University
Associate Professor, History

Paul A. Svaren
MA, American Graduate School of International Management
International Enrollment Manager, International Programs Enrollment Management

Deborah Gail Swain
Senior Instructor, College of Nursing

Nancy Swanger
PhD, University of Idaho
Associate Professor, School of Hospitality Business Management

Mark E. Swanson
PhD, University of Washington
Assistant Professor, Department of Natural Resource Sciences
Assistant Scientist, Department of Natural Resource Sciences

John T. Sweeney
PhD, University of Missouri, Columbia
Chair & Professor, Department of Accounting

Steven R. Sylvester
PhD, Washington State University
Associate Professor, Washington State University - Vancouver

T

Richard Taflinger
Ph.D., Washington State University
Clinical Assistant Professor, Edward R. Murrow College of Communication

Patricia Ann Talcott
PhD, University of Idaho
DVM, Washington State University
Clinical Associate Professor, Veterinary and Comparative Anatomy, Pharmacology and Physiology

Gerdean Tan
PhD, Washington State University
Associate Professor, Human Development

Juming Tang
PhD, University of Saskatchewan, Canada
Professor & Scientist, Biological Systems Engineering

Lynell K. Tanigoshi
PhD, University of California, Riverside
Scientist, WSU Vancouver Research and Extension Unit
Extension Specialist E-4, WSU Vancouver Research and Extension Unit

Patriya S. Tansuhaj
PhD, Oklahoma State University
Professor, Marketing

Michael J. Tate
PhD, Michigan State University
Vice President, Office of the Vice President for Equity and Diversity

Loverine P. Taylor
PhD, Stanford University
Associate Scientist, Molecular Biosciences - Abelson Hall
Associate Professor, Molecular Biosciences - Abelson Hall

Mechthild Tegeder
Associate Professor, School of Biological Sciences

Colleen Marie Terriff
PharmD, Washington State University
Clinical Associate Professor, Pharmacotherapy - Spokane
Pharmacy Residency Director, Deaconess Medical Center Pharmacy

Paul Thiers
PhD, University of Oregon
Associate Professor, Public Affairs, Washington State University - Vancouver

Pamela Thoma
Ph.D., University of Colorado at Boulder
Assistant Professor, Department of Women's Studies
Graduate Faculty, American Studies Program
Internship Coordinator, Department of Women's Studies

Bobbi Thomas
MEd, University of Missouri, Columbia
Assistant Director, Distance Degree Programs

James H. Thompson
Ph D, University of Oklahoma
Masters, University of Oklahoma
Associate Professor, Department of Accounting

William J. Thomson
PhD, University of Idaho
Professor, Chemical Engineering

Steven W. Thornburg
Ph.D., University of Central Florida
MBA, University of Central Florida
Assistant Professor, Department of Accounting

Robert Joseph Tichy
PhD, Washington State University
Senior Research Scientist, Wood Materials and Engineering Laboratory

Sergei Tolmachev
Associate Research Professor, Pharmaceutical Sciences

Steven L. Tomsovic
PhD, University of Rochester, Rochester NY
Professor and Chair, Department of Physics and Astronomy

Kathleen Topp
Instructor, Educational Leadership and Counseling Psychology

Traci Beth Topping
Associate In, School of Molecular Biosciences

Ryan Patrick Townsend
Instructor, College of Nursing

Len J. Trevino
PhD, Indiana University
MBA, Indiana University
Associate Professor, Management & Operations
Director, Assessment and Evaluation Center

Gerald E. Tripard
PhD, University of British Columbia
Director, Nuclear Radiation Center

Michael Tsatsomeros
PhD, University of Connecticut
Professor, Mathematics

David R. Turnbull
DMA, Arizona State University
Associate Professor, School of Music

John C. Turpin
MS, University of Cincinnati
Associate Professor, Interior Design

U

Jeffrey Ullman
Ph.D., Texas A&M University
Assistant Professor & Assistant Scientist, Biological Systems Engineering

Steven E. Ullrich
Ph.D., Montana State University
Professor, Crop and Soil Sciences

Scientist, Crop and Soil Sciences

Carole L. Urquhart
MFA, University of Idaho
Instructor, Department of Theatre and Dance
Designer/Costume, Department of Theatre and Dance

V

Joseph S. Valacich
PhD, University of Arizona
MBA, University of Montana
Professor, Information Systems

Hans P.A. Van Dongen
PhD,
Assistant Director, Sleep and Performance, Washington State University - Spokane

Joan Vance
MSV, University of Washington
County Extension Educator E-2, Washington State University County Extension

Roxanne Vandermause
Assistant Professor, College of Nursing

Carol Vanevenhoven
PharmD, Washington State University
Clinical Assistant Professor, WSU Spokane - Pharmacotherapy
Clinical Specialist, Yakima Valley Memorial Hospital

Freddi L. Van Gemert
Instructor, College of Nursing

Stephen M. Vanvleet
County Extension Educator E-2, Washington State University County Extension
Associate, WSU Puyallup Research and Extension Center

Gary Frank Varrella
Ph.D., University of Iowa
County Extension Educator E-3, Washington State University County Extension

Joseph K. Vaughan
PhD, Washington State University
Research Assistant Professor, Civil and Environmental Engineering

Paul A. Verrell
PhD, The Open University - Milton Keynes, England
Associate Professor, School of Biological Sciences

Lisa Ann Vickers
Instructor, College of Nursing

Bryan Vila
PhD, University of California Davis
MPA, Pepperdine University
Professor of Criminal Justice, Criminal Justice/Political Science
Principal Investigator, Sleep and Performance Research Center

Victor Villanueva
PhD, University of Washington
Professor, English

Lindy Y. Sakamoto
Coordinator, Washington State University - Vancouver

Dietrich H. von Wettsein
Ph.D., University of Tubingen, biology, biochemistry
Ph.D., University of Stockholm, genetics
Professor, Molecular Biosciences-Abelson Hall
Scientist, Crop and Soil Sciences

Beth A. Vorderstrasse
PhD, Oregon State University
Research Assistant Professor, Pharmaceutical Sciences

Megan Elizabeth Vulcan
Instructor, College of Nursing

Louis A. Vyhnanek
PhD, Louisiana State University
MLS, Louisiana State University
Librarian 4, WSU Libraries

W

Laureen Conrey Wagoner
Associate In, Geology

Phillip Snowden Waite
MAA, University of Idaho
BSLA, Washington State University
Associate Professor, Horticulture and Landscape Architecture

Michael Anthony Walker
MA, Washington State University
Football Assistant, Intercollegiate Athletics

Donald Wall
PhD, Florida State University
Director, Nuclear Radiation Center

Scott Wallace
Ph.D., University of Michigan - Ann Arbor
Assistant Professor, WSU Vancouver School of ENCS

Jennifer Walser
Instructor, International Programs Intensive American Language Center

Thomas W. Walters
Assistant Scientist, WSU Mount Vernon Northwestern Washington Research and Extension Center
Extension Specialist E-2, WSU Mount Vernon Northwestern Washington Research and Extension Center

Mary R. Wandschneider
MA, Michigan State University
Senior Instructor, Human Development
Professor, School of Economic Sciences

David Wang
PhD, University of Michigan
MArch, University of Pennsylvania
Professor, School of Architecture & Construction Management
Associate Professor, School of Economic Sciences

Kung-Chi Wang
PhD, Northwestern University
Professor, School of Electrical Engineering and Computer Science

Min-Chiang Wang
PhD, University of Wisconsin
Professor, Management & Operations

Shaojin Wang
Ph.D., Gembloux Agricultural University (Belgium)
Research Assistant Professor, Biological Systems Engineering

Xuebin Wang
PhD, Chinese Academy of Sciences
Research Scientist, Washington State University - Tri-Cities

Bette M. Ward
MEd, Washington State University
Director Prof Admin, Washington State University - Tri-Cities

Linda D. Ward
Instructor, College of Nursing

Dennis A. Warner
PhD, University of Oregon
Associate Dean, College of Education

Haruhiko Washida
PhD, Chiba University, Japan
Research Associate, Institute of Biological Chemistry

David Watkins
PhD, University of Calgary
Professor, Mathematics

Christopher Watts
MFA, Ohio University
Dip AD/BFA, University of London, Goldsmiths College
Professor, Fine Arts

Richard J. Watts
PhD, Utah State University
Professor, Civil and Environmental Engineering

Suzanne Appleyard Wayman
Assistant Professor, Veterinary and Comparative Anatomy Pharmacology and Physiol

John Webb
MA, University of Dayton
MLS, University of Oregon
Librarian 4, WSU Libraries

William Webb
PhD, Pennsylvania State University
Professor, Mathematics

Edward P. Weber
PhD, University of Wisconsin, Madison
Edward Meyer Dist. Prof of Public Admin & Policy, College of Liberal Arts
Professor, Political Science

Mary Louise Webster
Instructor, College of Nursing

Jennifer Weck
Assistant Research Professor, School of Molecular Biosciences
Certified Clinical Research Coordinator,

Douglas L. Weeks
PhD, University of Colorado
Research Professor, Pharmacotherapy/Spokane

Haoyan Wei
PhD, University of Connecticut
Research Associate, Applied Sciences Laboratory / Institute for Shock Physics
Instructor, School of Electrical Engineering and Computer Science

John D. Wells
PhD, Texas A&M University
Assistant Professor, Information Systems

John Wenz
Assistant Scientist, Veterinary Clinical Sciences
Assistant Professor, Veterinary Clinical Sciences

Elizabeth L. West
MEd, Azusa Pacific University
Student Affairs Officer 1 Counselor, Washington State University Spokane

Guy M. Westhoff
PhD, University of Northern Colorado
Clinical Assistant Professor, Department of Teaching and Learning

Amy S. Wharton
PhD, University of Oregon
Professor, Washington State University - Vancouver

David A. Whidbee
PhD, University of Georgia
Associate Dean, Faculty Affairs and Research, College of Business

John R. White
PharmD, Mercer University, School of Pharmacy
PA, University of Washington, School of Medicine
Professor, Pharmacotherapy/Spokane

Matthew David Whiting
Assistant Scientist, WSU-Prosser Irrigated Agriculture Research and Extension Center
Assistant Professor, WSU-Prosser Irrigated Agriculture Research and Extension Center

Paul M. Whitney
PhD, University of Kansas
Professor, Psychology
Co-chair Neuroscience, WWAMI Spokane

Robert B. Wielgus
PhD, University of British Columbia, Vancouver B.C. CN.
Associate Professor, Department of Natural Resource Sciences
Associate Scientist, Department of Natural Resource Sciences

Lori J. Wiest
DMA, University of Arizona
Associate Professor, School of Music and Theatre Arts
Associate Dean, Graduate School

Kurtis Merle Wilkie
Ph.D., Washington State University
Instructor, School of Earth and Environmental Sciences

Michelle Raye Williams
Instructor, College of Nursing

Megan N. Willson
Pharm.D, St. Louis College of Pharmacy
Clinical Assistant Professor, Pharmacotherapy/Spokane

Nikolai Gerard Wiman
M.S., Montana State University
Associate in Research, WSU-Wenatchee Tree Fruit Research and Extension Center

Laura W. Wintersteen-Arleth
Instructor, College of Nursing

Michael P. Wolcott
PhD, Virginia Polytechnic Institute & State University
Professor, Civil and Environmental Engineering
Professor, Materials Science

John A. Wolff
PhD, Imperial College - England
Professor, School of Earth and Environmental Sciences

David Wollkind
PhD, Rensselaer Polytechnic Institute
Professor, Mathematics

Bernard Wong-On-Wing
PhD, Arizona State University
Professor, Department of Accounting

Dolores Konrad Wood
Instructor, Food Science and Human Nutrition
Associate Professor, WSU Spokane

Lisa Joanne Woodard
PharmD, Washington State University
PharmD, Washington State University
Clinical Assistant Professor, Pharmacotherapy/Spokane

Guy Worthey
Ph D, Univ. Calif., Santa Cruz
Associate Professor, Department of Physics and Astronomy
Clinical Associate Professor, Psychology

John W. Wright
PhD, Michigan State University
Professor, Psychology
Professor, Veterinary and Comparative Anatomy, Pharmacology, and Physiology

Milton A. Wright
PhD, University of Idaho
Extension Specialist E-4, Information Department

Raymond W. Wright
PhD, University of California, Davis
Chair and Scientist, Animal Sciences
Professor, Animal Sciences

Joan Q. Wu
PhD, Ohio State University
Associate Professor & Associate Scientist, Biological Systems Engineering

Wilfred Wu
Assistant Professor, Management Information Systems

Peter Wyeth
PhD, University of California, Berkeley

Associate Scientist, International Programs Research & Development

John J. Wyrick
PhD, Massachusetts Institute of Technology
Assistant Professor, School of Molecular Biosciences

X

Ming Xian
PhD,
Assistant Professor, Chemistry
Extension Specialist E-2, WSU-Wenatchee Tree Fruit Research and Extension Center

Wei Xue
Assistant Professor, Washington State University Vancouver School of Engineering & Computer Sci

Y

Minie A. Yadama
Project Associate, Chemistry
Assistant Research Professor, Wood Materials and Engineering Lab

Jia Yan
Assistant Scientist, School of Economic Sciences
Assistant Professor, School of Economic Sciences

Robert D. Yarbrough
Associate In, Institute of Biological Chemistry
Associate In, Horticulture and Landscape Architecture

Ann Marie Yasinitzky
MA, Washington State University
Clinical Assistant Professor, School of Music

Gregory Yasinitzky
DMA Eastman School of Music
Regents Professor, School of Music

Joseph P. Yenish
Ph.D., North Carolina State University
Extension Specialist E-3, Crop and Soil Sciences
Associate Scientist, Crop and Soil Sciences

Mark Daniel Yockey
Ph.D., Washington State University
Lecturer, Management & Operations
Associate Professor, School of Economic Sciences

David R. Yonge
PhD, Clemson University

Professor, Civil and Environmental Engineering
Research Professor, Institute for Shock Physics

Nancy T. Youlden
MEd, Montana State University
Director, Washington State University - Vancouver

Douglas L. Young
PhD, Oregon State University
Scientist, School of Economic Sciences
Professor, School of Economic Sciences

Margaret H. Young
PhD, Utah State University
Associate Professor, Human Development

Ralph G. Yount
PhD, Iowa State University
Regents Professor, School of Molecular Biosciences

Michael D. Yu
PhD, University of Missouri-Columbia
MBA, The College of William and Mary
Assistant Professor, Department of Accounting

Z

Richard S. Zack, Jr
PhD, Washington State University
Specialist & Dept Chair E-3, Entomology
Associate Professor Chairman (annual), Entomology
Chairman And Associate Scientist Inst/res, Entomology

Benjamin A. Zamora
PhD, Washington State University
Associate Professor, Department of Natural Resource Sciences
Associate Scientist, Department of Natural Resource Sciences

Ned L. Zaugg
MS, Pennsylvania State University
Extension County Director E-3, Washington State University County Extension

Hussein M. Zbib
PhD, Michigan Technological University
Professor, School of Mechanical and Materials Engineering

Jinwen Zhang
PhD, University of Massachusetts
Assistant Professor, Civil and Environmental Engineering
Assistant Professor, CAHE/ARC

Lihong Zhu

MLIS, Louisiana State University
MA, Louisiana State University
Librarian 3, WSU Libraries

Christy Zlatos
MSLS, University of Illinois
Librarian 3, WSU Libraries

Richard L. Zollars
PhD, University of Colorado
Professor, Chemical Engineering

Carol J. Zweifel
MS, Washington State University
Dir.-Athletic Training Educ. Program, Instructor, Educational Leadership and Counseling Psychology
